TRUCK SNAPS LIGHT POLE; CURRENT OFF TO 200 HOMES

A West Virginia truck driver reached for a cigar this morning, lost control of his vehicle, struck a utility pole, caused \$6,400 damage and cut off electricity to approximately 200 homes for one to four hours.

State police said Alvin R. Haines, 35, Bunker Hill R. 1, W. Va., driving a tractor-trailer owned by Super Service Motor Freight Co., Nashville, Tenn., was driving east on the Lincoln Highway three miles east of here at 4 o'clock this morning.

Police said Haines sought to pick up some cigars which had fallen to the floor of the cab and his vehicle swerved off the paved surface of the highway into snow.

SNAPPED POLE
The truck, going out of control, then crashed into a Metropolitan Edison Co. pole, breaking it off.

Metropolitan Edison Company Manager William A. Lentz said that, when the pole snapped, the top, with six wires attached, dropped and several wires shorted. None of the lines parted however.

Shorted out were two 13,800-volt lines and a 4,800-volt line. The accident cut electric service from 200 properties along the Lincoln Highway and along areas extending to Hunterstown and Bonneauville. Lentz said those in the Bonneauville area had power restored "in about an hour," while for some 50 homes in the Hunterstown area the power supply could not be restored until about 8 o'clock this morning.

State police said Haines escaped injury in the accident. They estimated damage at \$4,000 to the truck, \$2,000 to the trailer and \$400 to the electric company.

More than 50 telephone subscribers were out of service today as a result of the accident, John Caldwell, local United Telephone Co. manager, said. Crewmen have been unable to reach the damaged cables to repair them because of destruction from the accident.

Haines later paid a \$15 fine and costs to Justice of the Peace Robert P. Snyder on a reckless driving charge.

FREE PRESS IS LEGION ESSAY THEME FOR '61

The 1961 American Legion essay contest will be on the theme "How Does a Free Press Help to Safeguard Democratic Principles?" Adams County Superintendent of Schools C. P. Keefer announced today in sending notice to all high school principals concerning the annual contest.

Attorney John A. MacPhail, past commander of the Albert J. Lentz Post of the American Legion here, is serving as general chairman for the Legion essay contest, according to the notice.

Superintendent Keefer said the contest is open to Juniors in all public or private high schools in the county. The essays, not to exceed 1,500 words in length, must be completed before March 1. By March 1 each high school shall have determined its own winner and have forwarded it to Attorney MacPhail.

The essays will be judged on the basis of English structure, originality, accuracy and extent of information, evidence of research and evidence of ability to succeed at college.

Prizes to be awarded in the county contest will be: First, \$20; second, \$15; third, \$10, and fourth, \$5.

The essay judged first in the county contest will be entered in the state American Legion essay contest where it will compete for a \$250 plus a scholarship.

President Thanks Troopers Here For Fine Cooperation

HARRISBURG (AP)—President Eisenhower has thanked Gov. Lawrence and state police for their courtesy and cooperation during the President's visits to his Gettysburg farm.

Eisenhower's letter was read to newsmen by Lawrence at a news conference Wednesday. The President plans to retire to his Gettysburg farm when his term expires Jan. 20.

The text of the letter:

"Dear Governor Lawrence: This note is an effort to express to you, and through you to Commissioner Frank McCartney and the members of the Pennsylvania State Police, my personal appreciation of the courtesies

rendered to the members of my family and me over the past years in connection with our various trips to your state, particularly, of course, to my Gettysburg home. I am told there has been the utmost cooperation between the members of the state police and the White House detail of the United States Secret Service. Particularly, I would like to mention the help of Sergeant J. A. Tappe, Corporal J. A. Treas, and Troopers Charles Todd, Edwin Karr, and Bernard Yanetti.

"To all I send my warm gratitude and my best wishes for a fine new year."

"Sincerely,
"Dwight D. Eisenhower."

BULLETINS

NEW YORK (AP)—The Kennedy administration plans to hold a broad series of conferences with farm leaders on the pressing agricultural problem.

Pierre Salinger, press secretary for President-elect John F. Kennedy, told a news conference today that a meeting of farm leaders and congressmen today on the farm issue was only the first of a series.

This indicated today's meeting in itself would bring no decision on what steps Kennedy might take to improve farm prices and income.

UNITED NATIONS, N. Y. (AP)—The United States was expected to insist today that the U.N. Security Council drop—without formal action—Fidel Castro's charge that the U.S. government plans to invade Cuba.

The 11-nation council continues debate this afternoon on the Cuban charge, which the United States Wednesday called false and ridiculous.

Music Lovers To Hear 'Aida' Sunday

The local Music Appreciation Group will present the complete opera "Aida" Sunday evening at the Adams Electric Cooperative building, rear of N. Stratton St. William Warren, Gettysburg, and Thomas Trout, York, are in charge of the program.

The music will be reproduced from tape, using special stereophonic, electronic equipment. Miss Nell Payne, Hanover, will be the hostess. The program will begin at 7 o'clock. The public is invited.

NABBED IN CHURCH

Melvin L. Shepler, 47, Gettysburg R. 1, was arrested late Wednesday afternoon by borough police in the Seventh Day Adventist Church, Hanover St., and was charged with being drunk and disorderly. He was committed to the Adams County jail for a hearing later today before Justice of the Peace Anna E. Thompson.

FINED BY JUSTICE

Donald L. McKendrick, E. Middle St., paid a fine of \$10 and costs on a reckless driving charge at a hearing before Justice of the Peace Robert P. Snyder Wednesday evening. The charge was filed by borough police as the result of an accident December 6.

2 DRIVERS CHARGED

Two drivers who are required to wear glasses while operating an automobile have been charged by the state police with failing to comply with that restriction, in information filed before Justice of the Peace John O. Whitman, Cumberland Twp. The defendants are Charles Russell Leonard Jr., Fayetteville R. 2, and Russell W. Kershner, Jersey Mills, Pa. They have been sent 10-day notices.

Cuba Makes Veiled Bid For Change Under U.S. Policy President-Elect's Regime

By RICHARD VALERIANI
HAVANA (AP)—The Cuban Cabinet made a thinly veiled bid today for a change in U.S. policy toward Fidel Castro's regime under the incoming Kennedy administration. There was no indication of any change in Castro's policy toward the United States, however.

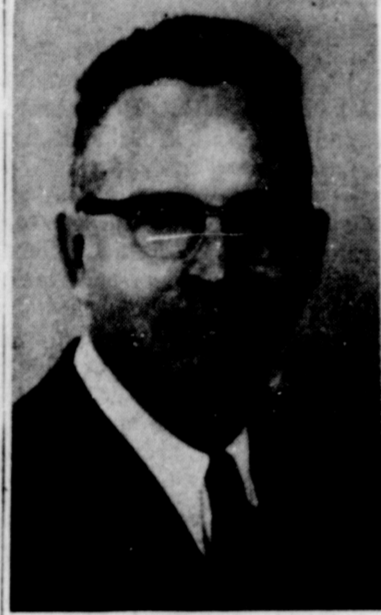

A statement issued after a long night cabinet session put the entire blame for the U.S. break in diplomatic relations with Cuba on the Eisenhower administration. The outgoing U.S. administration was also accused of "threatening with other (aggressions) worse and much more serious," an obvious reference to Cuba's charges that American invasion is imminent.

BID FOR CHANGE

The statement expressed the hope that relations would be re-established "when the governors of the United States finally understand that it is possible to maintain sincere and friendly re-

SCOUT WEEK PLANS BEING LAID FOR FEB.

Plans for Boy Scout Week February 7 to 13 were discussed Wednesday night at a meeting of the Black Walnut Scout District committee at the engine house, E. Middle St.

As in the past, a window display contest will be held with awards for the outstanding displays. The committee asked all of the units to place a display as part of the week's activities. Members of the camping and activities committee and the commissioners will serve as the judges.

Each unit will also be asked to hold some special unit event during the period, such as a parents' night program.

FINANCE DRIVE COMING

The annual finance campaign will also be at its peak during the Scout Week period, Attorney Daniel E. Teeter, finance chairman, reported. He said final plans for the finance drive are to be completed at a meeting of his committee today.

Units were reminded that the annual tree planting contest for the district ends this month. Scout executive Stanley C. Rogers said it was not necessary for the Scouts to actually plant the trees. Instead they are to arrange with farmers and others to do the planting.

Advancement Chairman Donald Carver reported three Scouts advanced in rank by successfully passing a board of review at the engine house Wednesday evening. They were Robert C. Thompson of

EVANGELISTIC SERIES WILL OPEN SUNDAY

Two weeks of evangelistic services will be held at the Memorial Evangelical United Brethren Church, W. High St., beginning on Sunday. The services will begin with the morning worship service on that day when the pastor, Rev. Donald L. Harper, will deliver the message "I Am Ready." Sunday evening the service will be held at 7:30 p.m. with the message "Righteous But Lost."

These evangelistic services will be held each night through January 22 with the exception of Monday nights. Throughout the first week and beginning on Tuesday, January 10, special guest speakers will present the message. During the second week the pastor will be in charge.

The schedule of guest speakers is as follows: Tuesday, January 10, Rev. Roger Burtner from Second EUB Church, York; Wednesday, January 11, Dr. Earl E. Redding from Grace EUB Church, Hagerstown; Thursday, January 12, Rev. Melvin Geiman from Fourth EUB Church, York; Friday, January 13, Rev. D. Rayborn Higgins from First EUB Church, Chambersburg, and Saturday, January 14, Rev. Calvin H. Cole from Mt. Tabor EUB Church, Mt. Tabor.

Special music will be presented each night by visiting musicians and by the local church. Each service will begin with a hymn sing of the old gospel songs and choruses. A pre-prayer service will be held each night at 7:10 p.m.

Special visitation in the community is also being done in connection with these services.

The public is invited to attend all of these services.

KANE RITES TODAY

Dial-A-Prayer Setup Installed

The Evangelical United Brethren Men of Centenary EUB Church, Biglerville, has established a "Dial-A-Prayer" program here.

J. M. Kline, Biglerville R. 1, president of the 50-member organization, said a special devotional message consisting of verses from the Bible and a brief prayer has been tape recorded and installed in a special electronic device. Persons wishing to hear the devotional service need only dial ED 4-5600 at any hour of the day or night. The message will be changed on Mondays, Wednesdays and Saturdays. The tape recordings are being made by the Rev. Laverne Rohrbach, others ministers and laymen.

\$4,343 GIVEN LOCAL SCHOOL IN 2 GRANTS

Gettysburg College is among 14 private colleges in Pennsylvania sharing in grants by E. I. du Pont de Nemours & Co. annual program of aid to education, the firm announced in Wilmington, Del., today.

The purpose is to help these colleges maintain "the excellence of their teaching." As in past years, the colleges were chosen on their records of strength in chemical education.

Gettysburg College will receive \$4,000, consisting of \$2,500 for chemistry teaching and \$1,500 for other courses.

The funds for chemistry teaching are to be used by the institutions in ways they feel will effectively advance their instruction of the subject and stimulate interest in it. The additional grants may be used in a similar way to strengthen the teaching of other subjects that contribute to the education of scientists and engineers.

The college has also received an unrestricted grant of \$343 from the Gulf Oil Corp., Pittsburgh. The sum is a part of the "direct grants to independent colleges" section of the Gulf aid to education program.

Begin Boycott Of Cuban Cargoes

NEW YORK (AP)—Dock workers here have begun a boycott of cargoes arriving from or destined for Cuba.

William V. Bradley, president of the International Longshoremen's Association, said the boycott was the result of a spontaneous decision by the men to refuse to handle commercial cargoes for "Communist countries."

The first ship hit by the boycott was the German-flag freighter Luciana, which arrived here from Havana. The ILA refused to unload a shipment of about 200 tons of tobacco, pineapples and watermelons.

American shippers purchased the fruit before it left Cuba and they will be the principal losers from the boycott. The major part of the tobacco shipment was destined to be transhipped to England.

2 GLEE CLUBS GIVE CONCERT ON SATURDAY

The glee clubs of Trinity College, Washington, D. C., and Mount St. Mary's College, Emmitsburg, will offer a joint concert "An Evening of Song" Saturday evening at 8:30 o'clock in Flynn Hall on the Mount St. Mary's campus.

The Trinity chorists under the direction of Dr. John Paul will present: Mendelssohn's "Lift Thine Eyes" from "Elijah"; Elgar's "The Snow," with an incidental solo by Consuelo Donohue; Hahn's "My Love in Song Would Be Flying"; Rodgers-Ringwald "You'll Never Walk Alone."

The Mount St. Mary's singers, under the direction of Rev. David W. Shaum, will offer Handel's "Hallelujah, Amen" from "Judas Maccabaeus"; Loesser's "Anywhere I Wander"; incidental songs by the "We-Three-Trio" of Henry Damminger, Edward Dent and Edward Kirk; Rodgers and Hart's "Falling in Love with Love."

COMBINED CHORUSES

The combined choruses will sing Bach's "Jesu, Joy of Man's Desiring" with a flute obligato by Susan Farren and Barbara Carpenter; Thompson's "Alleluia"; and Romberg's "The Student Prince" featuring soprano Ellen Duey and tenor Thomas J. Tobin.

Sister M. Francis Immaculata, S.N.D., is moderator of the Trinity College chorus and Rev. Peter A. Coad of the Mount St. Mary's group. Trinity officers are: Frances Smith, president; Mary Patricia Mullon, vice president, and Patricia Breen, secretary. John M. O'Connell is president of the Mount St. Mary's group.

2ND SERVICE AT FAIRFIELD

"Our Father are words that unite all Christendom," said the Rev. Robert A. MacAskill Wednesday evening in his second sermon in the week-long series of prayer services for the Fairfield area held in Zion Lutheran Church, Fairfield. "Far too many people have a concept of God that is too small and as a result our understanding of God as well as our communion with Him is totally inadequate."

Drawing on illustrations from the works of J. B. Phillips, noted Bible scholar and translator, Rev. Mr. MacAskill pointed out that many of us fail to grasp the magnitude and power of the Almighty. We have false notions about God and our spiritual development remains undeveloped, he said. Pastor MacAskill said that for many people God is still "meek, mild, gentle, kind old Father that we met in Sunday School and we have not outgrown this concept. We have grown up physically but not spiritually."

As a result of these false notions of God, he said, many of the people today come to fear God, and through this fear, fail to

GOOD EVENING

Even if you are on the right track, you'll get run over if you just sit there.

The 17th annual dinner of The Times and News Publishing Company was held Wednesday evening at the Hotel Gettysburg and was highlighted by an address by H. Edgar Riegle, Gettysburg's superintendent of schools, and the presentation of service awards to veteran employees.

One hundred sixty employees, officials and guests attended with new members of "Times family" being introduced by Toastmaster Henry M. Scharf.

Climaxing the dinner program was the surprise presentation of a gold wrist watch to Mr. Scharf by Attorney Franklin R. Bigham, secretary of The Times company, "in recognition of the length and especially in appreciation of the high quality of service rendered by Mr. Scharf." Mr. Bigham traced Mr. Scharf's affiliation back to the latter's student days in Gettysburg High School when he wrote school news for the paper. Now he is the managing director.

HONOR VET EMPLOYEES

There was a certificate of honorary Times staff membership for Superintendent Riegle and initiated beakers for 14 members of The Times 25-Year-Club.

As new members of the 15-Year-Club, pen and pencil sets were presented to Theodore Keefer and George Shealer. All of the presentations were made by Mr. Scharf.

Employees receiving the 25-Year Club awards included: Bernard Maguire, senior employee in point of years of service whose employment dates from 1913; Miss Rhoda Breighner (retired), Ralph A. Menchey, Paul L. Roy, Carl A. Baum, Paul B. Ramer, John Raffensperger, Hunter Harness, Donovan Bream, Salena S. Menchey, George Kadwill, William Small, Mary Little and Donald Turner. Initiated beakers were presented to President S. G. Spangler, who was absent, and Vice President M. C. Jones, seated at the speaker's table.

Introducing his talk with the observation that "we're all engaged in the same business, public education," Mr. Riegle recalled rush jobs well done from the job printing department and courteous cooperation from the staffs of the newspaper and WGET radio station and said:

"TREMENDOUS JOB"

"My hat's off to you for the fine job you do in newspaper, radio and commercial printing, for the tremendous job you are doing. I personally deeply appreciate your help in presenting and interpreting to the public news about the schools for the benefit of the community." He made special mention of the regular column, "Gettysburg Schools Report" which appears in The Times on alternate Saturdays and to the service rendered by the radio station WGET when snow and school closings require emergency announcements. "I am most grateful to The Times and WGET."

Turning then to the subject of public education, Superintendent Riegle noted the pressures that have been exerted since " Sputnik" days to change public education programs radically and said: "Here in Gettysburg I hope the public will support the position the local school board and I have taken in deciding we won't jump into new programs until they have been evaluated. We have added courses and will add more but only after thorough study and careful decision."

SCHOOLS UP TO DATE

"We have tried to keep the local schools up to date. We have special classes for the mentally retarded and accelerated programs for the gifted pupils. I am particularly concerned that in the future we do not emphasize mathematics and science to the point where other important subjects are neglected. I am also specially concerned that close association between pupil and teacher be maintained even though it may be necessary to teach in larger units and to make use of TV or other new teaching machines. We feel that the human relationship between pupil and teacher is as important as the job of imparting facts."

"The basic premise of American education must continue to be that to stay free we cannot be ignorant," he asserted after a reference to a December Saturday Evening Post feature on American education as compared with that in European countries.

GREAT NATURAL RESOURCE

Noting that half of the present teaching staff in the public schools here have been hired in the last five years, Mr. Riegle spoke of plans for building a new

NEW TEACHER IS ELECTED

Mrs. Miriam K. Wilson, 50 W. Water St., was elected to teach Seventh and Eighth grades at an annual salary of \$3,800 at a meeting of the Conewago Township School Board Tuesday evening.

The board authorized purchase of an 18-inch carriage typewriter. A resolution was adopted approving affiliation with the Shippenburg Area Audio Visual Materials Center. The board renewed its membership in the Pennsylvania State School Directors Association.

Payment of bills of \$20,548.39 was authorized, including semi-annual rent to the School Building Authority.

A report to the board showed the Conewago School was in session 15 days in December. Two days were lost because of a snow storm. The cafeteria report showed 146 adult and 3,305 student lunches served during the month and 234 extra half-pints of milk purchased.

The board meeting was attended by George R. Worley, president; Henry Leppo, vice president; Paul A. Stauffer and Clark Wildasin, directors; County Superintendent C. P. Keefe and J. Arthur Wolfe, principal.

WASHINGTON (AP) — The Senate Democratic leadership has decided to give the coveted "S.1" number to the depressed areas bill and try to drive it through to early passage.

This means the measure — high on President-elect John F. Kennedy's legislative list for the 1961 session — will be officially considered the first Senate bill introduced this year.

Ginkgo trees, which date back to prehistoric times, no longer grow wild. Their preservation is attributed to Chinese Buddhist priests who consider them sacred.

Weddings

Dell-Krom

Miss Barbara Jean Krom, daughter of Mr. and Mrs. Franklin Krom, Littlestown R. 1, and Donald Landon Dell, son of Mr. and Mrs. Ralph Dell, Hampstead R. D., Md., were united in marriage on New Year's Sunday at 2:30 p.m. in St. John's Lutheran Church, Littlestown. The pastor, the Rev. William C. Karns, performed the double-ring ceremony.

The bride was attired in a winter white sheath dress with white accessories. She carried a white Bible topped with a white orchid.

Mrs. Robert Krom, Hanover R. 3, sister-in-law of the bride, was matron of honor. She wore a purple sheath dress with a coral cymidium corsage.

The best man was Robert Krom, Hanover R. 3, brother of the bride.

Immediately following the ceremony a reception was held at the home of the bride's parents, with 40 persons in attendance. The newlyweds have gone to house-keeping at the Westminster Apartments, Poole Rd.

Mrs. Dell is a 1958 graduate of Westminster High School and a 1959 graduate of Baltimore City Hospital. She has been employed as a practical nurse at Baltimore City Hospital. Her husband is a graduate of Hampstead High School, class of 1955, and is employed by Black and Decker Co., near Hampstead.

Miss Erma Jane Sentz, daughter of Mr. and Mrs. Oscar D. Sentz, Littlestown R. 1, became the bride of Ronald L. Shriver, son of Mr. and Mrs. George I. Shriver, Taneytown R. 1, in the St. Paul's Lutheran Church, Haney, Friday evening. The double-ring ceremony was performed by the Rev. Charles E. Held.

The bride wore a white street-length dress with a matching hat, red accessories and a red rosebud corsage.

Mrs. Shriver's attendant was a sister, Mrs. Reda Sells, Littlestown, who wore a blue street-length dress with black accessories and a white rosebud corsage.

George I. Shriver Jr., Taneytown, brother of the groom, was the best man.

The couple left immediately on a brief wedding trip.

2ND SERVICE

(Continued From Page 1)

pletiely in their approach to God. "We must remember that we, too, are disciples and must want to learn to pray, but too many are total strangers in their conversation with God." It is important for Christians to remember that the word "Our" in the "Our Father" is an all encompassing term that includes races, colors and even creeds. The speaker said that "all of the children of God" are included in the word "our" and He truly is Father to each.

Norman J. Wilson, vicar at Zion Church, sang a solo, "Prayer." He was accompanied by his wife, Rev. James Lesher who is in charge of the service and offered the evening prayer.

It was announced at this service that the Rev. Norman Marden of the Bendersville Methodist Charge will be the speaker Friday night. The services continue to night with the Rev. Mr. MacAskill preaching on "Thy Kingdom Come." Rev. Edwin Coddington of Grace Baptist Church will conduct the worship and special music will be offered by members of the Fairfield Mennonite Church.

Solicitors Here Are Identified

Pastor Merton Henry of the local Seventh Day Adventist Church, after a conference with Burgess Wilbur Plank, has explained that youngsters from his church were making door-to-door collections Saturday evening.

Pastor Henry said that all of his boys and girls had proper identification badges and that they were handing out literature concerning church services.

He added that the organization had not contacted the burgess prior to the collections which probably caused some misunderstanding among town residents. Henry said that this is an annual project.

ALTA HUMMER GROUP MEETS

The Alta Hummer organization of the United Lutheran Church Women of St. John's Lutheran Church met on Tuesday evening at the home of Mrs. Harry W. Badders, Lumber St. The opening scripture was read by Mrs. William C. Karns. Mrs. Harry O. Harner, leader for the evening, introduced the topic "Let All the Nations Praise Him," which was discussed by the group. Prayer was offered by Mrs. Harner and the missionary benediction was repeated in unison.

The business was in charge of the past president, Mrs. Edgar A. Wolfe. Notes of thanks were read from members who had received Christmas remembrances. Re-

ports were given by Mrs. Lloyd L. Stately, secretary, and Mrs. Badders, treasurer. The next meeting of the group will be held on Tuesday, February 7, at the home of Mrs. Paul Bowers, N. Queen St. The topic leader will be Mrs. Allie Hollinger and the hostesses will be Mrs. George Cool and Mrs. Bowers. At the conclusion of the business, refreshments were served by Mrs. Badders and Miss Evelyn Asper.

AID GROUP MEETS

The January meeting of the Ladies' Aid Society of Redeemer's United Church of Christ was held on Tuesday evening in the church social hall one week earlier than usual due to the community preaching mission service. The devotional included the scripture reading by Mrs. John Hilbert; Apostles' Creed in unison; prayer, Mrs. Paul F. Crabbs; group hymn. During the business period, plans were made to sell chicken salad and ham salad sandwiches on Wednesday, January 25. It was decided to contact a class of

the Sunday School on the purchase of tablecloths for the dining tables in the social room. Mrs. Clement A. Sneeringer and Mrs. Crabbs were appointed to contact the class concerning the purchase. Mrs. Glenn S. Kauffman Jr., who conducted the business, called for the reports of Mrs. Glenn Flinchbaugh, secretary, and Mrs. Crabbs, treasurer. The meeting closed with the Lord's Prayer in unison and refreshments were served by Mrs. Crabbs, Mrs. Hilbert and Miss Blanche Troxell. The aid will meet again on Tuesday, February 14, at the church, when the hostess committee includes Mrs. Charles A. Hofe, Mrs. Anna B. Leech and Miss Helen Myers.

The weekly public parties will be resumed by the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 on Friday, 8 p.m. in the social room of the FOE Home, W. King St.

NEW BUSINESS

Jr. Fire Dept. Officers

New officers of the Gettysburg Junior Fire Department are shown with their advisors Wednesday evening when the new group was installed for the coming year. Left to right are Vice President James A. Roth, President Raymond Menges Jr., Advisor William DeHaas, Advisor Raymond Menges Sr., Treasurer Edwin Ziegler, Chaplain Charles Ashbaugh and Secretary James Fox. Plans were made for monthly instruction periods after meetings. A film was shown on using the gas mask, hose and hose fixtures. Youths aged 15 to 21 are eligible for membership in the junior department.

Soil Conservation Committee Elects

Robert Lott, Aspers R. D., was elected chairman of the Adams County Soil Conservation District committee at its annual reorganization meeting Tuesday at the district's office in the Adams Electric Cooperative building. He succeeds Clarence J. Waybright.

Bernard Klunk, New Oxford R. 1, was named vice chairman. W. Clayton Jester, Biglerville R. D., was re-elected secretary-treasurer. The other members of the board are Stuart Lucabaugh, Hanover R. D., recently elected by the county commissioners on nomination of farm organizations to succeed Clarence Waybright, and Waybright, who became the county commissioner member of the board.

Plans were made for the annual meeting to be held January 19 at 7:30 o'clock at the court house.

Respond To Six Fire Alarms During 1960

The Fountaineau Volunteer Fire Co. responded to six alarms in 1960, according to a report given at the monthly meeting Wednesday evening in the fire hall. Fire Chief Albert Shindler commended the firemen on their service throughout the year.

Mrs. Brosie Bible reported to the company that wheel chairs and beds were available to the firemen in case of injury and also to anyone in the community.

The treasurer's report showed receipts of \$2,138 and \$396 expenditures. Refreshments were served after the meeting.

At a directors meeting Albert Shindler was re-appointed fire chief and the directors gave him permission to appoint his assistant and two lieutenants and drivers for the coming year.

Mother, 6 Of 7 Children, Niece Perish

LYNN, Mass. (AP) — A young mother, six of her seven children and her niece died in an early morning fire today, trapped in bedrooms of a 2½-story tenement.

Fire Chief Walter Carter said the blaze started in the rear of the second floor and spread to the attic.

Investigators said there was only one stairway to the attic bedrooms.

Donald Amirault, 29, the father, saved his youngest child, Dawn Marie, 5 months, by dropping her from a second-floor porch into the arms of a neighbor.

He tried to get back into the house to rescue others but a snap locked had closed.

7 ESCAPE BLAZE

Dead are: Shirley Amirault, 23; her children, Michael, 8; Shirley, 7; Donna, 6; Robert, 4; Kathy, 2; Barbara Jean, 18 months, and the niece, Paula Hollingsworth, 5 months.

Amirault was awakened by the fire, ran down the attic stairs with Dawn Marie and rushed to the porch. He shouted to William Dutch, 21, a neighbor who caught the child.

Amirault, unable to help the rest of his family, aroused the occupants of the first floor, Mr. and Mrs. Robert Nordstrom and their five children. All escaped injury.

Beachtel and Mrs. Marjorie Morelock. The session was held one week early due to the community preaching mission, and plans were made for the group to attend the mission service in a body next Wednesday, meeting at 7:15 p.m. in St. Paul's Lutheran Church. It was decided to purchase a WSCS banner. The holiday sale of cookies and candies was pronounced a success. It was noted that a special program in observance of the 20th anniversary of the society will be presented at the next meeting on Tuesday, February 14, at the church. The hostesses will be Mrs. Estella Furlow, Miss Jean Furlow, Mrs. Charlotte Byers and Mrs. Carrie Byers. At the conclusion of the business refreshments were served by Mrs. Helen Barton, Mrs. Edie Hanlon and Mrs. Olive Randall.

HUMBERT SERVICES HELD

Funeral services for Charles Thomas Humbert, 50, who died Sunday at his home in Taneytown were held Wednesday at the Fuss Funeral Home. Rev. Morgan R. W. Andreas officiated. Burial was in the United Church of Christ Cemetery. Pallbearers were Delmont Koons, George Motter, Murray Baumgardner, Birnie Stanley, Paul Sell and J. Thomas Albaugh.

TWENTY YEARS AGO

Roosevelt's Message Declares "Aid" Is Not An Act Of War: Washington—President Roosevelt told congress today the United States faced an unprecedented "foreign peril" and demanded a "swift and driving increase in our armaments" both for defense and use of fighting "democracies" abroad.

"The need of the moment," Mr. Roosevelt said in his annual message on the state of the union, "is that our actions and our policy should be devoted primarily — almost exclusively — to meeting this foreign peril. For all our domestic problems are now a part of the great emergency."

Victor Products Firm Purchases O'Sullivan Plant: The Victor Products corporation, operator of two large plants in Hagerstown, has purchased the business and operations of the Gettysburg plant of the O'Sullivan Rubber company, it was announced Saturday afternoon by Roy P. Funkhouser who is now vice president, treasurer and general manager of the Victor Products corporation which is headed by his brother, R. J. Funkhouser, who has his offices in Hagerstown. The sale was effective January 1.

Court Rules Pa. May Take Over 12 Hospitals: Philadelphia—The Pennsylvania Supreme court ruled today, in one of three long-awaited decisions, that the commonwealth may take over a dozen county-owned mental hospitals without compensation for investments in buildings and other real estate.

Firemen Ask \$2,000 Toward New Apparatus: Members of the Gettysburg borough council received from the Gettysburg Fire company a request for a \$2,000 appropriation toward a new piece of fire apparatus and decided to advertise for bids for a new police car during the regular January meeting of the council, Monday evening.

Coming before council as representatives of the fire company, D. C. Stallsmith, Joseph E. Codori and Arthur E. Hutchinson told councilmen of the need for additional fire fighting apparatus here and described present equipment as "inadequate."

Lions To Give Show To Help Pay For Lights: Gettysburg Lions at their weekly meeting Monday evening set Friday, February 21, as the time for the stage production to be presented by the members of the club in the Gettysburg high school auditorium the proceeds to go toward paying for the lights placed last fall on the Gettysburg high school athletic field.

Dr. Richard A. Arms, head of the mathematics department and director of dramatics at Gettysburg college, met with the club and joined in a discussion of the type of entertainment to be presented and other phases of the preparations for the home talent show.

Legion Starts Home Defense Organization: Following a plan of organization forwarded by the Pennsylvania Department of the American Legion, the Albert J. Lentz post, No. 202, of the American Legion took first steps at its meeting Monday evening to form a Home Defense organization to cooperate with and coordinate the functions of the established authorities and organizations in the borough in case of emergency.

The organization will not take the place of a Home Guard company but will be formed in such a way that it can be "tied in" with any community or state units which may be formed.

Today's Talk

PLAYING UP TO YOURSELF

No matter how well favored we may be, there are times when we all, I believe, have sinking spells — when much that we thought we had gained seems to have slipped away.

And we are not, at such times, very good companions—not even to ourselves.

Life is a great deal like a musical instrument, needing adjustment and tuning during its entire period of use.

You need to play up to yourself—to your better self—all the time. Keep aiming beyond your immediate ability to gain the end you have in mind. In other words, that there shall be no melting away of valuable reserves at critical moments.

The most valuable time that we spend is that which we have as our very own, in seclusion and solitude. At such times you will be able to grow, broaden and enlarge your soul—or else witness just the opposite.

What you are is your asset. Increase it each day!

Play up to yourself. Put a real valuation on yourself, then prove that valuation before the world.

Be an inhabitant in a city of visions.

Keep breaking the shells of your outgrown experience. In the words of Oliver Wendell Holmes, "make each new temple nobler than the last!"

All life will become a more livable proposition as you become a better companion to yourself.

Tomorrow Mr. Adams will talk on the subject: "Somebody To Do For"

Just Folks

WHAT MAKES A MAN
It isn't the way you hold your headWhen the sun is high and your skies are blue,
It isn't the smiles you are glad to shedWhen everything's going all right with you;
A coward can laugh at the thorns, I ween,When his hand is clasping the red, red rose;
We all can smile when life's serene;

The thing is, — how do you bear your woes.

It isn't the coin that you give away

When you have plenty, that marks the man;

It's easy enough to smile, I say,
When fortune beams on your favored plan.

When life is rosy, 'twixt weal and strong,

No sign of difference ever shows;
But the brave man looms when the world seems wrong,

The thing is, — how do you bear your woes.

HOWE SUFFERS GASH OVER EYE

By THE ASSOCIATED PRESS

Detroit's Gordie Howe was hurt, Toronto's Frank Mahovlich scored his 34th goal and a couple of lesser lights had big nights around the goalmouth in National Hockey League play Wednesday night.

Howe, one of hockey's all-time greats, suffered a concussion and a gash over his right eye that required 10 stitches when he collided with Toronto's Eddie Shack in a game between the Red Wings and Maple Leafs at Toronto.

Howe was taken to Toronto General Hospital where X-rays showed no fracture. He will miss a return game between the two teams in Detroit tonight and hospital authorities said they would like to keep him for two or three days for further observation.

PUSH MONTREAL

Toronto won the game 6-4 to move within four points of the league-leading Montreal Canadiens.

Rookie Howie Glover scored three of Detroit's goals, the first three-goal performance by a Red Wing in one game this season.

In another game at New York, Stan Mikita scored twice in the third period to help the Chicago Black Hawks to their fifth consecutive victory, a 3-2 decision over the Rangers. The Hawks moved into sole possession of third place with 40 points while the Red Wings, who have 38, dropped to fourth.

To Secure Costs On Fluoridation

Mayor Raymond J. Perry, of Taneytown, was directed by council at a meeting Monday evening to ask a public health engineer to present costs of installation, operation and maintenance of a fluoridation system for Taneytown's water supply.

senior high school unit here and of the opportunity that building will give to separate junior and senior high school students, "an aim we have had for many years." He described the integrated program in the Seventh Grade intended to ease the shock of changeover from elementary to high school programs and noted that "everybody's happy now about having the 7th graders by themselves at Lincoln School."

"We can't turn education off and on like a light switch, but it continues every waking moment in the home, school, church and community. Our greatest natural resource has been well described as our boys and girls."

SCHARF SPEAKS

Expressing confidence in the future and in the ability of The Times staff to meet problems as they arise, Toastmaster Scharf said: "This is the 17th annual dinner for The Times family and we go into 1961 after having come through various eras of booms and recessions." He quoted a Philadelphia Evening Bulletin economist on the impact of international economy on business in the United States and declared: "The only answer is increased production which spells out better pay, through lower prices and higher quality."

"Our solution to the pressures that come upon us from all sides — and which include all sorts of efforts to make us lose faith in our economic system and our form of government—must be to have faith in ourselves and in the things that our nation stands for. Our work in the printing and public information business is constructive and for the good of the community. We must go forward in 1961 without any fear of conditions."

"We aim to produce this year in all departments. At WGET 1,000-watt power is on the way and that means better service for the entire community. WGET won that status from the Federal Communications Commission strictly on its record of community service."

"In our job printing department it's gratifying to see the magnificent work being turned out for individuals and for many institutions as well. It's wonderful printing and compares with the best being done anywhere. And the same goes for the newspaper."

ABSENTEES SEND REGRETS

In conclusion Mr. Scharf noted that in 1960 the amount of tax sent to the Internal Revenue Service totaled \$62,201.17 in withholding taxes. "And that wasn't far from the total payroll 17 years ago when these annual dinners began."

Mr. Scharf earlier had announced regrets had been received from a number of guests, officials and former employees unable to attend the dinner for various reasons. The list included: Miss Rhoda Breighner, former Times treasurer and now retired; Judge W. C. Sheely, Dr. A. R. Wentz, Dr. Harry F. Baughman, John S. Rice, Franklin Moore, Dr. L. C. Keefe, Dr. Henry W. A. Hanson, Gen. A. H. Stackpole and Leighton C. Taylor, all honorary members of The Times staff and speakers at former Times dinners; Samuel G. Spangler, president of The Times company; Mrs. J. McCrea Dickson, General W. S. Paul, the Rev. Fr. Thomas J. Kilcullen, William S. Livengood, C. William Duncan, William A. Ryan and Dr. Walter A. Langsam.

DRAW FOR PRIZES

Vice President M. C. Jones and Mr. Bigham were introduced as were John A. Hauser and John T. Keith, directors of The Times company. New employees who joined The Times and WGET staffs in 1960 were introduced and William Zeigler, editor of the New Oxford Item, was presented. He introduced his staff members present. There were special introductions also for the members of the WGET staff. Philip R. Bickle, an early editor of The Times, and a former dinner speaker, was presented.

In prize drawings, awards went to the following: Guests, John B. Keith; women employees, Mrs. Martine Baer and Mrs. James Strickhouser, and to men employees, G. Henry Roth and Hugh C. McIlhenny.

The invocation before the dinner was given by Paul G. Pensinger. Dinner music was by Mary Donegan Howe. A roast beef dinner was served.

MAN GIVES HIS WIFE SEDATIVE AND BURNS HER

LAKEWOOD, N. J. (AP) — A West Creek woman died today of burns and police said her husband had admitted setting her on fire after giving her a sedative.

The husband, John Robert Van Arsdall Sr., 36, an unemployed seaman, had been held at the Ocean County Jail in lieu of \$25,000 bail on an assault with intent to kill charge.

His wife, Mrs. Veronica Van Arsdall, 49, was brought to Paul Kimball hospital with burns on 60 per cent of her body Dec. 13.

Ocean County Prosecutor Howard Ewart said the charge against Van Arsdall would be changed to first-degree murder.

State police investigator James Hart said the burning was first listed as an accident. Arsdall at the time reported that his wife had been burned in a kitchen mishap. However, he told Mrs. Arsdall's daughter by a previous marriage, Mrs. Constance Reinke, that her mother was burned by a cigarette while lying on a couch.

Mrs. Arsdall was an invalid with whom Arsdall had been having "marital difficulties," Hart said. Mrs. Reinke reported the alleged discrepancy in Arsdall's account and during subsequent investigation, the seaman broke down Tuesday and admitted having set his wife afire, police said.

Hart said Arsdall told him that he gave his wife a sedative and, when she was semiconscious, dropped a lighted pack of matches on her. He said he watched for 10 or 20 minutes as his wife, in pajamas and a robe, burned.

States by legal means, not by force.

The United States holds the base under a treaty it contends can be scrapped only by agreement of both countries.

Planes leaving Havana for the United States were packed with Americans, quitting Cuba, but many more stayed to take their chances under the regime Eisenhower called a dictatorship. The American flag was hauled down from over the U.S. Embassy, and most of the embassy staff sailed for home.

CLOSING U. S. EMBASSY

Charge D'Affaires Daniel M. Braddock and a 12-man skeleton staff set about closing the U.S. Embassy and turning over U.S. government affairs in Cuba to Swiss Ambassador Walter Bossi.

Smartly dressed, armed Castro militiamen ringed the embassy Wednesday night as the bulk of Braddock's staff drove off in two buses to take the night ferry to Florida, ending 60 years of U.S.-Cuban diplomatic relations.

The evacuation went off smoothly and the militiamen were withdrawn.

While the Americans were packing their bags to leave, 35 Soviet tourists were being welcomed at Havana Airport.

More than 60 embassy workers — joined by many American civilians — sailed aboard the ferry City of New Orleans. Banners over the dock proclaimed: "the fatherland or death" and "death to the invaders," but there were only two minor incidents.

BRADDOCK IS DELAYED

Cuban customs officials held Braddock up briefly until he got a special pass to go aboard the ferry to take his goodbye. And 15 pro-Castro youths harassed a group of Cubans who had gathered outside the embassy in a desperate last-minute effort to get visas to go to the United States.

of field work at the Lutheran Theological Seminary here, delivered his second and final sermon in the Prayer Week series. He spoke on that section of the doxology from the book of Jude which speaks of God's ability "to present you without blemish" before His throne.

Rev. Stroup said: "This is one of the most startling statements in the New Testament. The real battleground for Christians now is to handle virtues rather than vices." He noted that "when one is on the point of victory or success in the spiritual life, then he is in grave danger" and pointed out that for Jesus severe temptations followed His baptism.

"Virtue without love can turn into a vice," he said, "for such virtue can lead to narrowness and bigotry. Virtue must be filled with duty and covered with love. It is all summed up in that prayer offered by a little girl: 'Dear God, make the bad people good and the good people nice.'"

The Rev. Donald Harper, EUB pastor, conducted Wednesday's service and Mrs. Edward Orwig sang a solo "How Lovely Are Thy Dwellings."

All of the services are being held at St. James Lutheran Church beginning at 7:30 o'clock. No service will be held Saturday.

RECEIVES BIG CONTRACT

JOLIET, Ill. (AP)—The Kanarr Corp. of Kingston, Pa., has received a \$1,039,720 Army contract to deliver 1,062,000 ammunition boxes in a 10-month period beginning May 1.

In announcing the contract on

Wednesday, the Ordnance Ammunition Command here said the boxes would be manufactured at the firm's plant in Pittsburg, Pa. The plant is in a "substantial labor surplus area" a command spokesman said.

GHS Entertains Strong Cedar Cliff Here Friday In Nonleague Encounter

One of the area's finest scholastic basketball teams, Cedar Cliff, will come here Friday evening to meet the Gettysburg High Warriors in a nonleague game.

Cedar Cliff brings a 7-2 record here after winning the Shippensburg Invitation tournament last week by polishing off Mechanicsburg and Cumberland Valley in easy fashion.

The Colts have been led in scoring by Bobby Kohr, a 5-8 speedster. Tallest man on the squad is Danny March, 6-3, who came off the bench to tally 25 points against Cumberland Valley Monday at Shippensburg. Bill Underwood, 5-11, is the team's second high scorer while Steven Kuhn, 5-11, is credited with being the outstanding ball handler. Phil Vaughn, 6-0, a good rebounder; Ron Gordon, 6-2; Kirk Firestone and Steve Farrow round out the first string outfit.

Coach Miller's squad is tabbed as a very scrappy outfit. The Colts employ the man-to-man defense almost exclusively.

MUST REGAIN FORM

The local Warriors will be out to rebound following their drab performance at Hanover when they dropped their first game after five straight wins. At Hanover the Forneymen ran into their worst shooting performance of the season when they bagged but 12 goals on 43 tries. They will have to recapture their former shooting form if they hope to trip the Colts.

The Jayvee teams will meet at 6:45 o'clock.

In South Penn action Friday night Biglerville invades Waynesboro while Hanover plays at Carlisle.

Four games are listed Friday in the Adams-Franklin circuit as follows: Littlestown at Scotland, New Oxford at Fairfield, Quincy at Bermudian, and Fannett-Metal at St. Thomas. On Saturday Buchanan plays at Greencastle.

BASILIO MAY RETIRE IF HE LOSES FIGHT

By MURRAY ROSE
Associated Press Sports Writer
NEW YORK (AP) — Carmen Basilio's thrill-packed ring career may end on Saturday night.

That's when the craggy-faced, former welterweight and middleweight champion meets welterweight contender Gaspar Ortega of Mexico in a 10-round television fight at Madison Square Garden.

"Saturday night will determine whether I go on further," said the veteran of 12 years of pro boxing.

Ortega is a tall, aggressive fighter with a steel chin. The Mexican, 25, never has been stopped in 30 pro fights, most of them lively affairs. Gaspar keeps after an opponent and makes him fight almost a full three minutes every round.

Basilio showed definite signs of wear and tear in his last two title fights with NBA middleweight champion Gene Fullmer. Fullmer stopped the ex-Marine in 14 rounds on Aug. 28, 1959, and in 12 rounds last June 29.

Carmen's reflex action has slowed and he no longer can keep throwing punches in combinations. The Chittanooga (N.Y.) cloutier used to beat down his foes with slashing left-rights to the body.

Pitt Quarterback Leaves School

PITTSBURGH (AP) — Ed Sharrockman, a quarterback on the University of Pittsburgh football team last season, has withdrawn from school in his junior year.

Pitt made the announcement Wednesday but gave no reason. Sharrockman, of St. Clair, Pa., was drafted by the new Minnesota Vikings of the National Football League in the annual draft meeting in Philadelphia last week.

He earned two football letters at Pitt, playing in the 1958 and 1960 seasons. He was out of school in 1959 under a disciplinary measure.

TO DROP FOOTBALL

SCRANTON, Pa. (AP) — The University of Scranton is dropping football from its athletic program because of declining attendance. The Very Rev. John Long, president, said Tuesday head coach Pete Carissimo would be retained in his present capacity of athletic director. Scranton started football half a century ago as St. Thomas College.

MULES UPSET MOUNT 72-66 AT ALLENTOWN

Muhlenberg College, rallying in the final eight minutes of play to overcome a five-point deficit, stunned Mt. St. Mary's by taking a 72-66 victory at Allentown Wednesday evening.

It was the first triumph for the Mules after seven straight losses while the defeat was the second against four wins for the Mount.

Coach Jack Phelan's highly-regarded Mountaineers were obviously affected by their long lay-off, having played their last game on December 10 when they defeated Adelphi. They trailed from early in the game and at one time were 11 points behind but at intermission had pulled to within five points at 31-31.

MOUNT TAKES LEAD

Following intermission John O'Reilly and Ed Pfeiffer sparked a Mount rally which carried them to a 60-55 lead with eight minutes of play remaining. Eight straight points from Chris Hiotis and Ron Druckenmiller and two foul shots by George Giffillan sent the Mules ahead for keeps as the teams matched points the remainder of the way.

Jerry Savage and O'Reilly each tabbed 13 points for the Mount while Hiotis and Druckenmiller netted 22 and 21 for Muhlenberg. The Mounts will meet Hampden-Sydney on Friday and Roanoke on Saturday in a two-day invasion of Virginia for Mason-Dixon Conference games.

ST. FRANCIS WINS FIFTH

Displaying a well-balanced attack, the unbeaten St. Francis Xavier School dribblers won their fifth straight victory here Wednesday evening by defeating St. Patrick's of Carlisle 31-21.

After St. Francis took a 10-9 lead in the first period, the visitors forged ahead 15-14 at half time. However, in the third period the Red Raiders blanked their opponents and zoomed ahead 22-15 on clutch baskets by John Keller and Charles Abell. After building a 29-17 lead midway in the last quarter, the reserves finished up.

Phil Johnson turned in a brilliant all-around performance for the winners in controlling the boards and setting up numerous scoring plays.

As a preliminary the fifth and sixth graders scrimmaged with the "whites" nipping the "reds" 17-16.

Both St. Francis teams will go to McSherrystown to meet Annunciation in a league doubleheader at 2 p.m. on Sunday.

Indians Victors By Overtime Score

By THE ASSOCIATED PRESS
The Springfield Indians' latest example of why they hold a 16-point lead in the American Hockey League is a 2-1 overtime victory over the Hershey Bears.

The defense of the defending champions never was better as they whipped the Bears in the league's only game Wednesday night. They threw up such a wall in front of Marcel Paille that the Bears had only 18 shots at the goal. And the League's No. 1 goal minder turned back all except one.

Hershey didn't get a shot in the overtime period as Bill McCreary came through with the winning goal at 8:33. Neel Price gave the Indians the lead in the first period and Willie Marshall, Hershey's leading scorer, tied it in the second.

MANY STARS IN LA OPEN

LOS ANGELES (AP) — Golf took over the local sports scene today with a select field of professionals and amateur celebrities competing in a \$5,000 pro-am event as a prelude to the \$45,000 Los Angeles Open.

The big show starts its 4-day, 72-hole run Friday at the Rancho Municipal Golf Course in West Los Angeles.

Boasting the richest purse in its history, this 35th annual tournament kicks off the 1961 winter money trail for the professionals. As usual, the competitors are the best in the nation.

TOP 20 ENTERED

Entered are the top 20 money winners of 1960, headed by Arnold Palmer, the National Open and Masters champion.

Also on hand are Dow Finsterwald, last year's winner here; PGA champion Jay Hebert, as well as his brother Lionel, a former PGA titleholder; Billy Casper Jr., 1960 Vardon Trophy winner and on ex-U.S. Open ruler Art Wall Jr.

Ken Venturi, who came on with a rush to win the 1959 Los Angeles fixture, is another threat, and back in tournament action is still another former U.S. Open winner, Cary Middlecoff.

TERHERS SIGNS WITH PATRIOTS

BOSTON (AP) — The Boston Patriots credit Manager Danny Murtaugh of the Pittsburgh Pirates with an assist in signing their No. 7 American Football League draft choice, Little All-America quarterback Paul Terheres of Bucknell.

Terheres, an outstanding passer, was the eighth draft choice of the Baltimore Colts of the rival National Football League and also was sought by Canadian League scouts.

The Patriots said Murtaugh, whose Pirates won the 1960 World Series, aided in convincing the 22-year-old Terheres to sign with Boston. Terheres' home is in Milmont Park, Pa., adjacent to Chester, Pa., Murtaugh's home, and the two families have been close friends for several years.

Murtaugh and Patriots' President Bill Sullivan both were associated with the old Boston Braves.

Terheres, voted the most valuable player in the All-America bowl at Tucson, Ariz., signed with Boston Coach Lou Saban Wednesday. The 6-foot, 195-pounder led the Middle Atlantic Conference in passing and total offense for three seasons, and was named to the All-Conference Team each year. He was named to the 1960 Associated Press Little All-America team.

Last season he completed 87 of 155 passes for 981 yards and nine touchdowns.

Bucknell Coach Bob O'Dell called him "the finest quarterback with whom I ever associated."

SCOTLAND TRIUMPHS

Scotland won its third straight Adams-Franklin Basketball League game by defeating James Buchanan 59-45 on the Cadets' floor Wednesday evening. The Scotland reserves also made it three in a row by taking the preliminary 54-44.

G-BURG JR. HIGH OPENS SEASON WITH HANOVER

Another scholastic basketball league, the South Penn Junior High circuit, opens Friday with six of the eight teams being scheduled for games.

Gettysburg plays at Hanover, Washington Twp. at Chambersburg Faust, and Chambersburg Central at Carlisle. Waynesboro and Shippensburg will be idle.

Coach Don Bickel of the Gettysburg Braves has a 16-man varsity squad of Ninth graders, 11 of whom have had experience.

Included in the group are Michael Boyer, 5-2, two years experience; Douglas Bream, 6-1, two years experience; Robert Britcher, 5-9, one; Ronald Deitch, 5-6, none; Robert Deitz, 5-8, one; Robert Harmon, 5-6, none; Gary Hartman, 5-6, two; Larry Johnson, 5-7, none; Richard Jones, 5-6, none; Daniel King, 5-6, two; John Kunkel, 5-9, two; James Newman, 5-5, one; Charles Schleicher, 5-9, two; Robert Stokes, 5-5, one; Edward Tilberg, 5-6, two, and Nelson Wansel, 5-3, none.

Coach Bickel listed his probable starters for the opener at Hanover Friday as being Bream, Hartman, Jones, King, Newman and Tilberg.

JAYVEE SQUAD

The Jayvee squad is made up entirely of Seventh and Eighth graders as follows:
Eighth Grade — James Bowers, 5-3; Anthony Bushey, 4-8; Donald Doaks, 5-8; Richard Finkboner, 5-5; Ronald Fox, 4-9; Kenneth Hartman, 5-4; William Jones, 5-8; Michael Krick, 5-2; David Liss, 5-8; Edward Thomas, 5-10.

Seventh Grade — David Eisenhower, 5-6; Charles Raffensperger, 5-2; Christopher Richardson, 5-6; Larry Shindedecker, 5-0; Thomas Spahr, 5-1, and Robert Teeter, 5-3.

BULLETS MEET JOHNS HOPKINS AWAY TONIGHT

The Gettysburg College winter schedule moves into full swing this weekend with all three varsity squads seeing action.

The basketball team, under head tutor Bob Hulton, will resume play tonight when it travels to Baltimore for an engagement with Johns Hopkins. The Bullet cagers will then tangle with Lehigh in Bethlehem on Saturday.

Last year the Orange and Blue came up with a 76-66 win over the Blue Jays and defeated the Engineers twice, 75-59 and 68-61. Ron Warner, York, and Bob Parker, Yeaton, will once again put their records to the test. Warner is currently pacing the squad with a 24.4 average while Parker is 16.3 points per contest. Gettysburg is sporting a 5-2 record.

MEETS HERE SATURDAY

Curt Coull, head swimming coach, will be making his debut Saturday afternoon at 2:30 when his Bullet tankmen entertain the forces of Loyola of Baltimore. The meet will mark the first of a nine-meet card for Gettysburg. The Bullet wrestling team will inaugurate its 1961 season in a battle with Lycoming in the Eddie Plank gym, also scheduled for Saturday afternoon at 2:30. Jack Ridinger will be starting his fourth season at the helm. This year's squad will feature former Middle Atlantic Conference heavyweight champion, Mike Pacilio, a senior from Merrick, N. Y. Pacilio was unable to defend his title a year ago due to a shoulder injury.

Passing Seen In Senior Tilt

MOBILE, Ala. (AP) — Both Senior Bowl coaches apparently are thinking in terms of strong passing attacks as they prepare for the all-star football game here Saturday.

Indications are the starting quarterback roles have been won by Norman Sneed of Wake Forest and Dick Norman of Stanford, two of the leading passers in the nation this season.

The South squad's Sneed ranked second nationally, completing 123 of 239 attempts for 1,676 yards. The Washington Redskins picked him in the first round of the recent pro draft and promptly signed him to a contract.

Norman, directing the first backfield unit in the North drills, connected on 95 of 201 passes during the season to increase his three-year totals to 323 completions in 597 attempts for 3,737 yards and 18 touchdowns.

SIX MAJOR CAGE TEAMS REMAIN UNDEFEATED

By DON WEISS

Associated Press Sports Writer
Louisville's superstitious Cardinals remain members of the Shaky Six—major college basketball's remarkably small list of unbeaten—today after the kind of a comeback that may mean Fred Sawyer's socks will go unwashed all year.

The Cardinals fashioned a whirlwind finish to win their 12th in a row, 70-69 over Eastern Kentucky Wednesday night.

Sawyer, who claims he won't change his socks or wash 'em while the Cards are winning, contributed only three points to the victory that kept fourth-ranked Louisville in the winning class along with Ohio State, Bradley, Auburn, Vanderbilt and DePaul.

MUCH ACTIVITY

Louisville survived on a heavy college basketball night that saw activity both in the bigtime conferences and on the independent front.

Wake Forest, sinking 65 per cent of its second half shots, won its fourth straight Atlantic Coast Conference game, 81-59 over Clemson as Billy Packer hit for 23 points and Len Chappell for 18. Joe Markee's 16 points and 11 rebounds led Davidson to a 54-45 Southern Conference decision over William and Mary, and Texas, with Mexico Olympian Al Almanza scoring 17, rallied to open defense of its Southwest loop crown with a 68-58 whipping of Arkansas.

Defending champion Princeton crushed Columbia 76-66 in its Ivy opener. Winless Dartmouth beat Harvard 68-61. Cornell surprised Penn 65-60 and Yale downed Brown 75-67 in other Ivy games.

NIP MIAMI OF OHIO

Away from the conferences, Bruce Applegate's driving layup in the last second of a second overtime game Miami of Florida (8-2) a 102-100 decision over Miami of Ohio, and Jimmy Huggard had 28 points and Hubie White 27 in Villanova's thumping of highly regarded Detroit, 81-69.

Gary Roggenbuck hit for 26 points as Dayton (7-2) beat Canisius for the ninth straight time 86-63, and Don Kojis scored 25 points and grabbed 24 rebounds in Marquette's 83-71 victory over Chicago Loyola.

PURDUE WINS

Another of the nation's top scorers, Terry Dischinger, hit for 26 as Purdue toyed with Creighton 91-72; Billy Hoy's 30 points led St. Joseph's 72-71 overtime triumph over Seton Hall, and Henry Hoskins fired 29 of his 33 points in the first half as Alabama (2-8) toppled the Southern Conference leader, Virginia Tech, 74-56.

Armand Rio's 20 points were tops for Notre Dame in a 72-56 verdict over Butler, and Army tied a school-scoring record with a 101-80 rout of Rochester. Dick Fisher hit a lay-up with two seconds of overtime left for Tennessee's 70-68 victory over Florida State and Mike Rice scored 31 points before being tossed out for fighting in an 87-57 Duquesne romp over Geneva (Pa.).

Hofstra, No. 2 small college team, rolled to its 23rd straight victory, crushing major college Manhattan, 90-66.

NORTH, SOUTH SQUADS READY FOR BIG GAME

MOBILE, Ala. (AP) — North and South squads faced their final extended workouts today in preparation for Saturday's Senior Bowl football game.

North Coach Jim Lee Howell and South Coach Webb Ewbank apparently had sorted through their 25-man squads and were just about ready to assign starting posts on offense and defense.

Both gave considerable attention to their defensive lineups Wednesday. Ewbank, the Baltimore Colt coach, came up with a four-man forward wall of ends Taz Anderson of Georgia Tech and John Brewer of Mississippi and tackles Billy Shaw of Georgia Tech and Mike Zeno of VPI, averaging 230 pounds.

WEIGHT ADVANTAGE

His linebackers also averaged out at 230, including middle man E. J. Holub of Texas Tech, and

Tom Goode of Mississippi State and Bo Strange of Louisiana State.

These seven gave the Rebels a distinct weight advantage over the Yankees, who will average 221 for the four forwards and 219 for the linebackers.

TO BE TELEVIEWED

Howell's men up forward will be Fred Mautino of Syracuse, Roland McDole of Nebraska, Harold Beatty of Oklahoma State, and Joe Dean of Ohio University. Those tabbed for linebacking duty were Fred Hagman of Kansas, Carl Kammerer of College of Pacific, and John Murray of Toledo University.

The game will be televised nationally by NBC. Kickoff is scheduled at 2:30 p.m., CST, with about 40,000 fans expected.

Gil Hodges To Take Salary Cut In 1961

LOS ANGELES (AP) — Gil Hodges, Los Angeles Dodgers first baseman, seems destined for a salary slash in 1961.

Hodges lost his job to Norm Larker, who battled Dick Groat right down to the final day for the 1960 National League batting title.

Buzzie Bavasi, Dodger general manager, said Wednesday, he hasn't given any thought to salary cuts, but that there will be few raises.

"Norm Larker and Maury Wills are about the only ones who deserve raises," said Bavasi.

Shortstop Wills led the National League with 50 stolen bases and batted .295 in his first full year in the majors.

Hodges batted .193, hit only eight homers, and drove in 29 runs.

Secession Of Southern States Was More Of A Political Maneuver Than A Warlike Gesture; Inflamed The North

Editor's Note — Reasonable discussion and compromise had been spurned by the Congress, the conventions, the people. Now the issue was changing and a decision which would affect the lives of 30 million Americans passed by default as 1860 ended to a pair of obscure officers. In the third of four articles on the needless war, historian Bruce Catton points to the possibility of a modern parallel.

By BRUCE CATTON
Written for The Associated Press
Instead of any compromise, the election of Abraham Lincoln in 1860 was followed by the secession of a number of the Southern states.

At least in the beginning, the act of secession was much more a political maneuver than a really warlike gesture. It was a means of putting on the political heat. The tragedy was that it evoked a defiant reaction in the North—and, at the same time, changed the fundamental issue from the simple question of slavery, about which neither side was ready to fight, into a question of Union about which a great many people would fight.

WASTE FIVE MONTHS
After Lincoln's election Congress and the country had a little more than five months to settle things. These months were indeed wasted. Efforts were made in and out of Congress, to work out a compromise, but they failed completely—chiefly because nobody really wanted to compromise. The machinery of democracy, still available, went unused. There were no real debates; there was a great deal of oratory and there was much editorializing, but almost all of it involved nothing much more than calling one's opponent a scoundrel. The notion that this scoundrel might have at least a little of the right on his side, and that sooner or later he would have to be dealt with, seems to have entered nobody's head.

CHOICE AREA NARROWS
The area of choice does not re-

BRUCE CATTON

main open forever. After the state of South Carolina announced its secession the area of choice between North and South grew very narrow. Originally it had embraced the whole country—national party conventions, nationwide campaign, national election and all. These had made no choice. Then Congress had its chance, and Congress made no choice.

Now the thing was delegated to a fantastic extent. In Charleston harbor there was Ft. Sumter, and in nearby Ft. Moultrie there were 70-odd federal soldiers under a major in the regular Army. This officer, Maj. Robert Anderson, was told, from Washington, that he was to keep the peace, but that if in his judgment the South Carolina authorities were really menacing he could move his men over into Ft. Sumter, which was much more defensible than Ft. Moultrie.

DECISION IN HARBOR
At the same time, suspecting that Maj. Anderson might do this, South Carolina authorities armed a steamboat and put it to patrolling Charleston harbor; and the militia captain who commanded this boat was told to prevent the federal soldiers from occupying Ft. Sumter, using force if in his judgment that might be necessary.

And there, as 1860 ended, was where the power to make the fateful decision lay—in the hands of an obscure major of regulars and an equally obscure captain of militia. They had the authority to begin shooting if in their opinion shooting was called for. The fact that 30 million Americans would carry on the shooting if they began it was beside the point. The terrible question—war or no war—

had somehow been evaded by the people and their political leaders during all of the months when the machinery of democracy was available for the solution of that question. Now the question could be answered by a major and a captain.

CAN'T EVADE DECISION
(There is something hauntingly familiar about that situation. Can we imagine anything like it today? Are there, somewhere on this globe, a major and a captain, eyeing—let us say—their radar screens, given the authority, which ought to lie somewhere farther up the line, to transmit the signals that will envelop civilization in earthquake, wind and fire?)

The point of all of this is that when we fail to cope with a problem we do not necessarily dispose of it; we simply decree that the answer to it will be made by somebody else. In 1861 the people of America were plunged into the costliest war in their entire experience simply because they and their leaders had refused to try to find an answer to the most momentous problem that they faced. Events themselves at last forced an answer, and it was fearfully expensive when at last it was made.

HAMILTONBAN TWP. REPORT IS FILED HERE

The 1960 financial report of Hamiltonban Twp., filed today with the clerk of the courts, revealed that the township had no debt and went into 1961 with a cash balance of \$2,191. J. Warren Martin, John M. Diehl and J. Kenneth Biessecker are the auditors.

The report listed receipts of \$21,268. Of that amount \$4,461 was received from real estate taxes; \$1,674 from per capita tax; \$12,336 from miscellaneous accounts and \$6,137 from local tax collections.

The expenditures showed \$1,397 for general government; \$25 for fire protection and \$339 for the firemen's relief fund; \$2,083 for snow removal; \$6,538 for road construction; \$8,125 for resurfacing.

ing of roads and \$554 for miscellaneous expenses. These figures also include the state accounts.

The real estate valuation for the township was listed at \$899,156. The general tax rate was five mills. The current tax levy is \$4.95. The per capita tax levied is \$1.904.

Taxes outstanding were \$433 real estate and \$786 per capita. \$1,032 was still due from tax collectors, plus 19 cents from the state fund, which would make a total of \$3,411 in the account.

The township constructed one-half mile of road with bituminous surface on legislative route 321, known as the Bull Frog Rd. The report stated that the township maintains 20½ miles of earth road, and five and one-fourth miles of improved surfaces.

Also maintained are five wooden, two concrete and one steel bridge.

The 1961 board of supervisors includes: George Steinberger, Fairfield R. 2; Stuart W. Sites, Fairfield R. 1; Lloyd Sites, Fairfield R. 1, and secretary-treasurer, Calvin F. Bream, Gettysburg R. 2.

The assessor for 1961 is Glenn Spence, Orrtanna, and J. Doyle Rebert, Fairfield R. 1, will serve as tax collector.

FBI Arrest Suspect In Chain-Drowning Murder Of Burglary Defendant

seph Dillon, 25, a former resident of Philadelphia, faces a hearing Jan. 11 on a charge of being a fugitive from a murder of a man whose body was found last Aug. 23 in the Atlantic Ocean near Margate, N. J.

The FBI here said that Dillon was charged with murder last Dec. 29 in the shooting of Vincent Blaney, 26, of Philadelphia, who was a defendant in a Pennsylvania burglary case at the home of John Rich, president of the Gilbert Coal Co. of Pottsville, Pa.

Augustine A. Repetto, Atlantic County, N. J., prosecutor, swore out a warrant for Dillon's arrest last Thursday, charging him with unlawful flight to avoid prosecution for the murder of Blaney. Repetto requested the FBI assistance in apprehending Dillon. The FBI arrested him Wednesday.

BODY WAS CHAINED

Blaney's body was found bound by chains. At the time Philadelphia Police Capt. Clarence J. Ferguson, who assisted in the burglary investigation, said he was killed to keep him from turning state's evidence in the case.

What led to Dillon's arrest or whether he figured in the burglary case could not immediately be determined since Repetto was not available for comment.

Police had said that Blaney had agreed to give evidence to the state along with another defendant, Robert Poulson, 24, also of Philadelphia, who was found shot and stabbed at a bus stop near Camden, N. J., about a month before Blaney's body was found. He since recovered.

LOOT TOPPED \$375,000

Police also reported that the burglary, which allegedly occurred on Aug. 7, 1959, while Rich was in Europe, netted \$375,000 to \$478,000 in cash.

But the actual grand jury indictment against six defendants charged in the burglary accused them of taking \$3,500 in cash and \$17,000 in jewelry. This apparently was because that was all Rich reported stolen, according to police records.

Dillon was married only two weeks ago, the FBI said. When he was arrested he was driving a sports car which he purchased Wednesday. He was arraigned before a U.S. commissioner and jailed in lieu of \$50,000 bond.

PLAN EXTRADITION

The FBI said New Jersey authorities would start action to ex-

tradite Dillon on the murder charge but it is not known whether he will waive extradition.

In Washington, the FBI reported that the car Dillon was driving when arrested was purchased under the name of John Collins. He gave that name when arrested.

The burglary trial is expected to come up soon in Schuylkill County Court in Pottsville.

The other defendants are Lillian Reis, 30, operator of the Celebrity Room Night Club in Philadelphia who is accused of being the brains of the job; Clyde L. Miller, 53, of Forked River, N. J.; John Berkery, 30, Philadelphia, and Ralph Staino Jr., 27, Philadelphia. Berkery, who recently moved to California, only Wednesday won a seventh postponement of a trial in Philadelphia on another burglary charge.

SAYS KENNEDY HAS VERY GOOD CABINET PICKS

By JOHN KOENIG JR.
Associated Press Special Service

WASHINGTON (AP)—Rep. William J. Green, D-Pa., said today he thinks President-elect Kennedy's cabinet choices are excellent—even though no Pennsylvanians are included.

Asked if he didn't think a Pennsylvanian should have been so honored in view of the state's re-sounding turnout for Kennedy, Green replied:

"No. There wasn't anything we wanted."

Had there been something that Pennsylvania Democrats did want, it might have been a different story, Green intimated.

IN GOOD POSITION

He should be in a position to know—and to plump for Pennsylvania appointments should he want to. For it was Philadelphia's booming 326,000 majority for Kennedy in the Nov. 8 election that put the Keystone State firmly on the Democratic side.

Green, as Philadelphia's Democratic chairman, headed the party organization that lined up the smashing city vote that gave the state's 32 electoral votes to Kennedy.

Green said something probably could be done to get a Washington post for former Rep. James M. Quigley, Camp Hill, Pa., Democrat, who lost in his bid for reelection in the state's 19th District. A spot, possibly with the Department of Health, Education and Welfare might be managed should Quigley be interested, Green said.

U.S. Forces Ready To Deal With Developments In Laos

HONOLULU (AP)—Powerful elements of the U.S. 7th Fleet—and alerted American bases in the Western Pacific—stood ready today to deal with any eventuality in the developing Laos crisis.

That was the appraisal of informed sources who declined to be quoted. But they said that in addition to naval units in the South China Sea, air, Marine and Army forces were ready to move on the Southeast Asian kingdom from bases in Okinawa, Japan, Formosa and the Philippines.

The assessment of American readiness came after a statement issued Wednesday by Adm. Harry D. Felt, top U. S. commander in the Pacific.

READY TO ACT

"We are prepared to accomplish whatever may be required of us by higher authorities of our government. Certain precautionary measures have been taken. These include the augmentation of our airlift capability in the Western Pacific and a re-positioning of some of our mobile fleet force," Felt said.

Military sources said Marine elements ready to give any needed assist include the 20,000-man 3rd Marine Division and the Marine Air Wing on Okinawa. The Leathernecks are trained in jungle warfare.

The closest unit to Laos is the 405th Fighter Wing at Clark Air Force Base in the Philippines. It is equipped with F100 and F102 supersonic jets.

SEE FORCE ALERTED

The U.S. 7th Fleet has assembled in the South China Sea a force of three carriers, about 30 destroyers, a dozen submarines and escort and supply vessels.

In Hawaii, a key unit of the 25th Infantry Division embarked on "practice mobility exercises" Wednesday.

MAN HURT IN FREAK MISHAP

PHILADELPHIA (AP)—Frank Hill, 69, of Chester, Pa., stopped his auto downtown Wednesday, left the engine running, and opened the door on his side to let out his mother-in-law, Mrs. Nettie J. Saxon, 85.

A sudden draft of wind whisked off Mrs. Saxon's hat. Hill started chasing the hat. Mrs. Saxon slid across the seat to follow him. Her foot accidentally hit the accelerator.

Before the eyes of horrified shoppers, the car shot forward, jumped the curb, raked along the fronts of buildings and drove a pedestrian through a large plate glass window. After traveling more than 150 feet the car came to a halt partially inside the front of the Judeo-Christian Information Center of the United Presbyterian Church of the U.S.A.

Mrs. Saxon, still behind the wheel of the car, was unhurt but frightened. She told police she doesn't know how to drive.

The pedestrian, Frank H. Curtis, 66, of Philadelphia, was treated at a hospital for scalp and forehead cuts, then released.

GENEVA AND DUKES MIX IN FIGHT AT GAME

PITTSBURGH (AP)—A fist-swinging brawl erupted in the Geneva-Duquesne game Wednesday night—the first basketball meeting of the two schools in four years.

The Dukes lost the services of their high-point man—ejected because of the fight—but nevertheless went on to win 87-57.

The fight broke out with about 11 minutes remaining in the game—the opener of a doubleheader at the Pitt Field House.

It took officials and police about five minutes to restore order. During that time several punches were thrown and a couple of players and Henry Tumpa, Geneva's student manager, were knocked down.

Tumpa was taken to the dressing room and given first aid by University of Pittsburgh trainer.

Duquesne's Mike Rice, the game's high-point man with 31, was the only player ejected from the game.

GAME FORGOTTEN

The fight broke out shortly after Rice attempted to block a field goal attempt by Geneva's Bob Hawk. Players from both benches ran on to the floor and basketball was forgotten for the time.

Coach John (Red) Manning of Duquesne and Geneva Coach Cliff Aultman shook hands after the game.

Aultman said, "I've been in this business for 26 years and saw things like this happen before. It's too bad just when we were scheduling each other again. I didn't see who did the punching. I was too busy trying to stop our kids."

In a relatively tame game, Pitt grabbed an early lead and defeated Carnegie Tech 75-66 in the nightcap. The Panthers won the game at the foul line, making 23 shots to Tech's 14. Both teams 26 field goals.

GIFTED CHILD NEEDS HELP OF GOOD PARENTS

By THE ASSOCIATED PRESS

Hidden geniuses, how bluebirds learn to sing, the Chinese language's difficulty with science are all topics this week of science at work.

FIND THE GENIUS

The "gifted child" needs "gifted parents"—parents who can help him discover and develop his abilities.

Too many youngsters of preschool age are destined to bloom unseen or to have their exceptional talents subdued to mediocrity, a scientist told the American Association for the Advancement of Science.

This is especially the case with girls in whom brightness is often considered a handicap socially, says Dr. Annette Rosenstiel of Mills College.

TOO OLD TO SING

A young bluebird must hear the song of an experienced adult before it becomes a little more than a year old, or it will never be able to sing a bluebird's song.

Birds reared in sound isolation from the time they left the egg were unable to sing the typical bluebird's song. But birds reared the same way from the fledgling stage were able to sing.

Cornell University ornithologists report that birds allowed to hear recorded bird songs before they became 15 months old learned to sing.

A WORD FOR WORM

The ancient Chinese language is having trouble with the specific modern world of science, scientists report.

All animals are described by the word for worm. A tiger is a big worm, a snake is a long worm,

and a mouse is an old worm. All swimming animals are fish, be they whale or octopus.

SEEK SPECIAL ELECTION

READING, Pa. (AP)—Hiram G. Andrews (D-Johnstown), speaker of the House, plans to seek a special election to fill the seat of Charles F. Luigard (D-Reading), who died Friday.

Andrews made the announcement Wednesday after attending Luigard's funeral with a delegation of 25 representatives.

The name Wisconsin comes from a Chippewa Indian word meaning "gathering of the waters."

FAILS TO GIVE ANY HINT ON NEW PA. TAXES

HARRISBURG (AP) — Special interest groups seeking programs to benefit them should be willing to support taxes to pay the bill, Gov. Lawrence says.

"I feel those actively seeking help should be willing to support tax programs," the governor told his weekly news conference Wednesday.

He didn't mention any names nor would he tip his hand about the possibility of proposing a new tax program in his budget message to the legislature Jan. 16.

UNDECIDED ON GAS TAX

"It will be just as newsworthy," the 72-year-old chief executive replied when newsmen tried to get some indication of the administration's fiscal program for 1961-62.

He said no decision had been made yet whether to seek an increase in the state's five-cent-a-gallon gasoline tax.

Other news conference developments:

President Eisenhower — Lawrence said the state would provide the President with whatever state police protection he felt he needed when he retires to his Gettysburg farm Jan. 20.

Lawrence said such protection might be in order because international tensions mean there are "a lot of screwballs around." He noted that an assassin attempted to kill Theodore Roosevelt after he had left the presidency.

Lawrence read a letter from Eisenhower in which the President praised the state police for their cooperation during his tenure and frequent trips to Gettysburg. The letter specifically praised the work of the Gettysburg detail.

Strip Mines — Maurice K. Goddard, secretary of forests and Waters, said, in response to a question, he hoped the proposed reorganization of his department would lead to "some kind of activity" to reforest the state's scarred strip mine regions.

However, he said the reorganization plan did not consider taking over any of the mine filling program now under the jurisdiction of the State Mines Department.

Goddard said there probably wouldn't be much strip mine filling activity in the anthracite regions because of the extreme depth of the caverns.

One aim of a reforestation program would be to produce more

Family Food Facts

THOMAS E. PIPER
Area Marketing Agent

Americans will continue to be the best fed people in the world in 1961. While food supplies will be a little larger in 1961 than they were in 1960, there will be more people to feed. Consequently, the amount of food available for each consumer will be about equal to that which was consumed last year, reports Tom Piper, Penn State extension marketing agent.

Indications are that consumer incomes will remain high. This will result in a continued high demand for food. Food prices are expected to remain approximately at present levels. Consumers can look for more beef and poultry meat and fewer eggs per person in 1961 than they had in 1960. Supplies of other major food items will probably remain about the same as last year.

CONSUMER SAVINGS

Consumer savings at the meat counter this weekend will center primarily upon fore-quarter beef cuts. Beef pot roast, ribs of beef, ground beef and stew meats will hold the economy spotlight. Lamb and fryers are in plentiful supply and will be included in some store features.

Produce supplies were well sold out in local retail stores during our recent holiday season. Each quality merchandise will be available this weekend with lettuce, celery, tomatoes, cabbage, and carrots appearing at lower prices. Other good vegetable buys will include radishes, onions, mushrooms, broccoli and green salad items. Squash is a current food value and shoppers may select among the cocozelles, white, yellow, acorn, and zucchini varieties.

SOME PRICES DROP

Lower prices will be noted on small size tangerines and Temple oranges; grapefruit and small oranges of varieties other than Temples have made slight price advances from levels noted last week. Bananas will join the list of good buys in fruit. Apples and Emperor grapes continue at unchanged price levels.

Egg prices appear generally unsettled and a period of price adjustment seems to be at hand. Volume of large size eggs is in

softwood for the state's paper industry, Goddard said. He said the industry presently imports most of pulpwood—pine and other conifer

LEGISLATURE TO ACT ON NEW AMENDMENTS

HARRISBURG (AP)—Proposed amendments to the State Constitution permitting the governor, auditor general, the state treasurer and county treasurers to succeed themselves have been started on their required second trip through the legislature.

Resolutions authorizing placement of the proposed changes on the ballot for a vote of Pennsylvania's electorate were introduced in the House Tuesday.

Since the resolutions were approved by the 1959 Legislature, the questions could go on the ballot this November if they are approved again early enough this session.

1 ADDITIONAL TEAM

However, incumbent officials would not be permitted re-election, the changes permit one additional four-year term. The officials now are restricted to a single term.

Another resolution offered in the package of four would ratify a proposed amendment to the U. S. Constitution giving residents of the District of Columbia the right to vote for a president and vice president. They are now denied this right. Several states already have ratified the amendment. Three-fourths of the 50 states must approve before the amendment is effective.

All four constitutional proposals were sponsored by Democrats Anthony J. Petrosky, Westmoreland; J. Dean Polen, Washington; Harris G. Breth, Clearfield, and Joshua Ellberg, Philadelphia.

SHOT WITH GIFT

GLOUCESTER CITY, N.J. (AP)—Henry W. Fleegler, 14, shot himself in the stomach Monday night with the shotgun he received as a Christmas present, patrolman Harry Sheldand said. The boy, a high school freshman, was reported in serious condition today following emergency surgery at a Camden hospital.

Sheldand said the boy shot himself in his bedroom after his father scolded him about a girl.

SPACE FOR TV REHEARSALS IS LACKING IN N. Y.

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP) — Television grew up so fast it jumped in a little over a decade from infancy to giant size. In the process it almost overnight grew too big for its britches or, perhaps more accurately, its swaddling clothes.

Over the years, particularly in New York, the three networks have been trying to get television decently tailored—enough studios, stages and rehearsal space. The Hollywood TV facilities of network television have been magnificently expanded—one reason that it has looked as if Los Angeles would monopolize the production end of the industry as shows moved west.

RENTS ARE HIGH

In New York City where rents are high and space is at a premium, the networks have converted radio studios to TV by crowding in cameras and other cumbersome equipment. They have rented and bought theaters for the shows which use audiences. Rehearsals have been and are held in all sorts of places, from offices to rented banquet halls. Performers and crews have grumbled about the inconvenient, out-of-the-

way locations of rehearsal halls.

While the New York facilities are still inadequate, they are gradually getting better. Each network either leases or owns two or three theaters for its network variety and audience-participation shows — Perry Como's, Garry Moore's, Ed Sullivan's, "The Price Is Right," "What's My Line?" and the Johnny Carson Show, for instance.

WANT 1 BIG STUDIO

NBC has two huge studios in Brooklyn which pretty well take care of their eastern-produced dramatic shows and specials. ABC has a center with five studios in midtown. CBS has augmented its headquarters studios with others in a remodeled meeting-hall building.

Now, however, CBS wants to bring under one roof seven studios and complete production facilities. If the plan goes through, the new building would be finished in 1964.

At least this indicates the CBS still plans to produce shows in New York. And, perhaps, if New York's production facilities reach a point where they are on a par with those of Hollywood, we might be treated to a return of those stimulating, live dramas which were once New York's TV specialty.

338 Die In New Year Weekend Accidents

CHICAGO (AP) — The New Year's weekend traffic accidents claimed 338 lives, but the toll was the lowest for a three-day New Year's holiday since 1953, when 317 traffic deaths were counted.

Fires claimed 66 lives from 6 p.m. last Friday to midnight Monday (local time), and miscellaneous accidents accounted for 73 more deaths, for an over-all accidental death toll of 482.

Seven High School Gridders Die In '60

CHICAGO (AP) — The high school football death toll dropped to seven in 1960—its lowest level since 1946 when such record-keeping was started by the National Federation of State High School Athletic Associations.

Officials of the group made the fatality report Wednesday during their annual convention. The seven deaths were among 720,000 participants, an average of .97 for every 100,000 compared to an average for the last 15 years of 1.39.

Heat prostration caused one death. The others were injured in tackling, being tackled and blocking.

SAYS LET WIFE WIN HERSELF OVER TO YOU

By HAL BOYLE
YOURVILLE, U.S.A. (AP) — It was after dinner.

Wilbur Peeble, America's most average husband, sat at the living room desk with a pad of paper before him. He scribbled on it with a pencil.

Then he frowned thoughtfully and absent-mindedly began knocking the pencil against his lower teeth.

His wife, Trellis Mae, knitting on the sofa, looked up in annoyance.

MISS BEST NOTES

"If you must use your teeth for a xylophone," she said, "why don't you knock on your uppers for a while? You're missing some of the best notes."

"Sorry," said Wilbur. He resumed his outer space stare.

This was even worse. If there is one thing that makes a wife uneasy, it is a small child or husband silently doing something on his own without her help.

"What are you doing?" Trellis Mae demanded.

"Making a list of New Year resolutions," replied Wilbur. "But it isn't easy."

"What have you put down so far?" inquired Trellis Mae.

FAMILY RESOLUTIONS

"Well, they're kind of family resolutions, I guess," said Wilbur. "I resolved to cut down your household budget so we could save a little money."

"I resolved to quit taking you out to dinner so often—so as to help you stay on a diet and get back your figure."

"I resolved to fire our once-a-week cleaning woman. A little more exercise ought to make you feel less flabby, and—"

But he got no further.

OUTRAGED WIFE

His outraged wife's vocal cords sprang into instantaneous action. For a full quarter hour Trellis Mae in one nonstop sentence denounced Wilbur as the world's lowest form of husband, and paid tribute to herself as history's most patient, sacrificial and long-suffering wife.

As she finally paused to take a breath, Wilbur deftly shoved before her glaring eyes the paper he'd been scribbling on.

"Read what I actually wrote," he said softly. His wife read these words:

NO MORE POKER

"I resolve that in 1961 my wonderful wife and I will have even more fun together than we did in 1960."

"I resolve to give up playing poker on Friday nights as it is wasteful."

The anger died in Trellis Mae's face as she flung her arms around her husband.

"Oh Wilbur," she wept. "Oh, Wilbur. How could I have said all those mean things to you?"

Fifteen minutes later she said, "Wilbur, I don't really want you to give up poker. If you want to play with the boys tonight, go ahead."

"I'm broke," answered Wilbur.

"I'm not," said Trellis Mae. "Here, dear." She reached in her purse, handed him over a \$20 bill.

Half an hour later as Wilbur tossed the \$20 on the poker table to be changed into chips, one of his friends asked:

"What happened, buddy-buddy? Did you find a gold mine?"

"Something better than a gold mine," said Wilbur. "Psychology."

Moral: The only way to win over a wife is—to let her win over herself.

Trio Leads Royals To Another Victory

By THE ASSOCIATED PRESS

The Cincinnati Royals, with Oscar Robertson setting a hot pace, are making inroads on St. Louis' big lead in the Western Division of the National Basketball Association.

In nine games played in the last

11 days, the Royals have chalked up seven victories. No. 7 was a 134-126 triumph over the Syracuse Nationals in the league's only game Wednesday night. It also was the third straight over the Nats since the Royals started their comeback Christmas night. They still trail the Hawks by 7½ games.

Say Chronic Situation Due To Overdependence On One Industry

UNIVERSITY PARK, Pa. (AP) — Two university economists, looking into Pennsylvania's problem of chronic unemployment, concluded that some of the trouble results from over dependence upon one industry or employer.

In each instance where concentrated studies were made, the economists said that such a situation prevailed. They added:

"A threat to that industry or employer, whether from technological change, competition, changing product demand, or depletion of resources, posed an economic threat to the entire community."

TO BE PUBLISHED

An announcement today said the report would be published this month by the Bureau of Business Research of Pennsylvania State University. It is based on extensive studies carried out by Dr. Jacob J. Kaufman, professor of economics, and Helmut J. Goltz, associate professor of industrial relations.

The report cited statistics to show that total non-agricultural employment nationally increased by 21 per cent from 1947 to 1957, but in Pennsylvania the rate of gain was just slightly more than 4 per cent. Only Rhode Island and West Virginia ranked lower.

"Not only has Pennsylvania failed to keep pace with the country as a whole," the report said, "but it has failed also to readjust its industrial structure in a way that would be economically desirable."

STUDIED 5 COUNTIES

"Apparently the growth industries of Pennsylvania have not been those which take up the slack caused by the losses of unemployment in the coal and railroad industries. Furthermore, these growth industries are essentially relatively low-wage industries—industries not particularly conducive to raising the income levels of their communities."

Kaufman and Goltz said that out of 12 areas of chronic unemployment in the state, they selected five for concentrated study—Erie, Fayette, Blair, Luzerne, and Columbia counties. The report said:

"While each of these areas has established a program of industrial development, usually concentrating on attracting new firms, more emphasis might be given to encouraging expansion of existing industries through technical and management assistance and the utilization of the total resources of the communities for industrial development."

SUGGEST MEANS

The researchers suggested that an industrial development program, even with state help, couldn't solve the problem of chronic unemployment "without continued out-migration of workers or a phenomenal increase in the general level of economic activity."

York Springs

MRS. F. E. COULSON
YORK SPRINGS — Richard Asato, Hawaii, returned Saturday to Purdue University, Lafayette, Ind., after spending the Christmas vacation at the home of Rev. and Mrs. Amos D. Meyers and family.

A family dinner was held at the home of Mr. and Mrs. Ivan Taylor Saturday. Those attending were Mr. and Mrs. Terry Taylor and children, David, Peggy and Ivan, Liverpool; Mr. and Mrs. William Taylor and daughter, Beth Ann, York Springs; Mr. and Mrs. Peter Carlson and son, Peter, Chattanooga, Tenn. The Carlson family returned home Monday.

Mr. and Mrs. Jack Starry entertained friends and classmates of their daughter, Robin Sue, Friday in honor of her seventh birthday. Those present were Tamara Tanger, Toni Tanger, Ruth Meyers, Deborah Tanger, Lu Ann Asper, Kendra Kennedy, Donna Jean Kemper, Scott and Tina Kemper, Diana Townsend, Roxie Grove, Lynn Aldinger, Linda Leer, Sharon Martin, Melanie Martin and Patti Lee Starry.

Mr. and Mrs. Ivan Lee and The report also said, "more financial and technical assistance on both the state and federal level are needed to support local efforts, and banks also must expect to play an even more important role than they have been doing in their communities . . . this might necessitate a government guarantee of loans as has been successfully employed in the housing program."

3 DIVORCE SUITS FILED

HOLLYWOOD (AP) — Hollywood marriages, seldom ranked alongside Gibraltar as symbols of durability, will be about as turbulent as ever in 1961, if events of the new year are any indication.

Tuesday alone, three well known entertainment figures were involved in divorce actions.

Actress Joan Fontaine divorced film producer Collier Young after testifying "he drank a very great deal, was not warm or affectionate or attentive."

Miss Fontaine, 43, and Young, 52, married in 1952. Both had been married twice previously—she to actor Brian Aherne and producer William Dozier, and Young to actresses Valerie Young and Ida Lupino.

Singer Margaret Whiting, 35, separated for a year from John Richard Moore, sued him for divorce in Santa Monica. Moore, 34, executive of a motion picture equipment company, is charged with cruelty. The couple married in 1958.

Also in Santa Monica, singer Mel (the Velvet Fog) Torme's wife filed a cross-complaint to his petition for annulment or divorce. Phyllis Arlene Torme, 30, a former model, married the 35-year-old singer four years ago.

Torme, in his annulment petition, said his divorce from a previous wife, actress Candy Toxton, was invalid when he married Phyllis. He said Phyllis and another woman hit him on the head when he went home last week to pick up some personal effects. He asked that she be restrained from molesting him, and she asked the same thing in her complaint.

EAST BERLIN — Elmer Thomas, East Berlin R. 2, will open a lineoleum and tile store Friday, January 6, on West King St., in the former Glatfelter's Grocery Store building. Thomas has been associated with the floor covering business for over 44 years.

The fire company auxiliary will sponsor its bimonthly card party Friday at 8 p.m. in the fire house. Bermudian Springs basketball games scheduled for Friday, January 6, and January 10 will be played in the East Berlin High School building. These games previously had been scheduled to be played in the new Bermudian Springs Jointure High School building. In the January 6 game, Bermudian meets Quincy and on January 10, Greencastle. Both begin at 6:45 p.m.

Paul Lehr, a student at the East Berlin Elementary School, has returned to classes after hospitalization for leg burns.

Colleen Kennell, daughter of Mr. and Mrs. George Kennell, spent the New Year's holiday with Mr. and Mrs. Elmer Miller and family.

The Reading Twp. supervisors will meet Friday evening at 8 o'clock in the Hampton School.

U. S. TO REMAIN ALERT FOR LAOS

WASHINGTON (AP) — The United States held the door open today to a satisfactory political solution to the civil war in Laos, but maintained a posture of military readiness if called upon to defend the tiny Southeast Asian kingdom.

Authorities here said there is little doubt extensive Soviet and Communist North Vietnamese participation in military operations against the royal Laos government are timed to catch the United States at a period of maximum disadvantage.

SEEKING ADVANTAGE

The outgoing administration of President Eisenhower turns over responsibility to President-elect John F. Kennedy in a scant 16 days. Officials believe the Communists are seeking to exploit any advantage they can find in the meantime.

The State Department Tuesday put on the record the Soviet and North Vietnamese airlift of arms to Communist forces in Laos. In a statement it cited 184 observed flights by Soviet transport planes carrying war materiel to rebel forces. The bulk of the arms deliveries went to Vang Vieng, a rebel concentration point about 60 miles north of Vientiane.

\$50 Million Dollars Worth Of Art Returned To Poland

DERBY LINE, Vt. (AP) — A multimillion-dollar art treasure crossed the Canadian border into the United States Tuesday on its way back to Poland. It had been moved about for more than 20 years to keep it out of the hands of first the Nazis and then the Communists.

Two huge moving vans, accompanied by several cars, reached U.S. customs at Derby Line shortly before 6 a.m. A Royal Canadian Mounted Police escort handed over responsibility for the shipment to Vermont State Troopers.

For more than a dozen years Poland's Communist government has been trying to obtain custody of the collection, valued at \$50 million or more. It includes tapestries, gold-encrusted coronation robes of Polish kings, bejeweled swords and other items including a gold saddle.

ROUTE KEPT SECRET

Officials in charge of the convoy declined information about its destination or its route across New England. They indicated they would have been happier if there were less public knowledge of the shipment.

One of the van drivers expressed surprise when a newsman told him of the value of the shipment he was hauling. He said he had not been told what his cargo was.

Antoine Roy, Quebec Province archivist, finally signed an agreement last Saturday for the return of the treasures to the Wawel Polish State Museum at Cracow. The agreement was announced Monday night by the executive committee of Polish National Uni-

ty, an organization of Poles abroad.

IN 24 BLUE TRUNKS

The treasure, in 24 blue trunks, was taken from the Provincial Museum on the Plains of Abraham.

M. Dobrosielski, a deputy of the Polish ambassador to the United States, said the treasure would be taken to Boston and loaded on a Polish ship there.

The treasures were removed from Poland for safekeeping at the start of World War II. Two representatives of the Polish government in exile brought them to Canada in 1940. They were moved from one hiding place to another.

In 1948 Premier Maurice Duplessis of Quebec ordered them transferred at night to the provincial museum when he heard that some of the treasures might be sent back to Poland.

DEMOCRATS CONTROLLING LEGISLATURE

HARRISBURG (AP)—Complete control of the various committees and patronage of the state legislature are in Democratic hands for the first time in 22 years.

Democrats elected a Senate president pro tempore and re-elected the speaker of the House at the opening Tuesday of the 1961 General Assembly.

Sen. Anthony DiSilvestro, 56, of

Philadelphia, was chosen unanimously to succeed Sen. M. Harvey Taylor, R-Dauphin, as president pro tempore, a powerful office under Taylor who controlled the Senate payroll.

Rep. H. G. Andrews, 84-year-old Cambria Democrat starting his 11th two-year term, was the unanimous choice for an unprecedented third term as House speaker.

Meeting in joint session, members of the general assembly picked Harry Hershey, Philadelphia attorney, as the new director of the legislative reference bureau. Hershey, who has served as assistant director of the bureau and as a deputy attorney general, will receive \$15,000 per year.

Paul C. Moomaw, Waynesboro, Franklin County, former secretary of the House, was named

Senate secretary, at an annual salary of \$12,000.

Dennis J. Mulvihill, Pittsburgh attorney who was chief clerk of the Senate in 1937-38, was elected as chief clerk at a salary of \$11,500 per year.

Marl H. Garlock, Fulton County, was selected as Senate librarian, at an annual salary of \$11,000. Philip Lopresti, former Cambria County representative, was

ected House secretary at an annual salary of \$11,500.

The House re-elected Philadelphia Democrat Joseph Ominsky to the \$12,000-a-year chief clerk post and re-appointed veteran Parliamentarian Edward Moore to his \$11,000-a-year position.

San Salvador, capital of El Salvador, was founded in 1525 by Pedro de Alvarez.

Steelers Sign Notre Dame Star

PITTSBURGH (AP) — The Pittsburgh Steelers have announced the signing of Myron Pottios, Notre Dame captain and linebacker, to a 1961 contract.

Pottios, 6-2 and 230 pounds, is the second Steelers' draft choice to sign. The other was halfback

Bill (Red) Mack, also of Notre Dame.

Pottios was the Steelers' second pick in the recent National Football League draft at Philadelphia. He hails from Van Voorhis, Pa.

Pottios was an outstanding fullback at Charlevoix High School. At Notre Dame he played tackle, center, guard and linebacker.

STEEL LEADERS TO TALK OVER JOBLESSNESS

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—Steel labor and management sit down today to tackle a problem that plagues not only the industry but also federal and local authorities and business in general.

In human terms it's the problem of joblessness and short weeks that affect the families of thousands both in and out of the mills. In terms of dollars it's the problem of slipping sales and profits of the companies, of their suppliers, of those who sell to or serve the steel workers.

In the field of governments it's the problem of jobless and other social benefits, and lower tax receipts.

BROADER SCENE

In the broader scene the troubles in steel tinge the outlook of the whole economy, since so much depends on the health of this basic industry.

The expectation at the start of 1961 is for slowly rising steel output but whether this will bring immediate re-employment isn't certain.

The expected slow rise in steel output as 1961 continues—much of the increase doubtless in the latter part of the year—will still leave the profit picture in doubt. Wage scales have risen recently, squeezing profit margins further and offsetting at least in part the rise in productivity.

AGAINST COMPETITION

And the steel industry is still up against growing competition from other materials in several of its best markets, as well as the successful hunt of many steel users for ways to cut down on the amount of steel needed in their activities.

The immediate problems that steel management and labor are discussing today rise also from two other things. First is the slowdown in activity in many of steel's prime customers—appliances, railroads, and to some extent in construction. Also, the big customer, the auto industry, uses less steel in its compact cars, along with greater use of glass and aluminum.

Second is the tendency of customers to live off their steel stocks through most of the last half of 1960. Inventories had been built up in a big spurge of steel buying early in the year, and then as often as not users found de-

TO ALL PARTIES IN INTEREST: You are hereby notified that a Schedule of Distribution will be filed by the Sheriff on the 17th day of February, 1961, and that Distribution will be made in accordance with the Schedule unless exceptions are filed within 10 days after the filing thereof.

DEATHS

By THE ASSOCIATED PRESS

LANCASTER, Pa. (AP)—Col. Maximilian Elser Jr., 70, retired New York publisher and Army officer and former newspaper features syndicate owner, died Tuesday after a long illness. He started the Metropolitan Newspaper Feature Service in 1919 and sold it in 1930 to United Features. He later was associated with the J. Walter Thompson Co. and had headed his own public relations firm. He was born in Fort Worth, Tex.

NEW YORK (AP)—Harry E. Doniger, 56, a pioneer in the sportswear industry, died Tuesday. He was chairman of the McGreggor-Doniger Inc., world's largest manufacturer of men and boy's sportswear. The company was founded by his father.

NEWBERRY, S.C. (AP)—Dr. Paul Heisey, 74, retired professor of Bible and religious education at Newberry College, died Monday. He was a former president of the Lutheran Synod of Iowa and had taught philosophy and psychology at Dubuque (Iowa) University. He was born in Lancaster, Pa.

NEW YORK (AP)—Samuel Levitas, 66, executive editor of the New Leader Magazine, a liberal, anti-Communist publication, died Tuesday. Levitas was born in Kiev, Russia, and came to the United States as a young man. He went back to Russia in 1917 but returned in 1923 after being imprisoned by both White Russians and Communists. He had been with the New Leader since 1930.

2 CRASHES IN 4 HOURS

CAMBRIDGE, Md. (AP)—A Navy test pilot is dead and a Marine Corps student pilot is missing today after separate plane crashes on opposite shores of Chesapeake Bay.

The two single-engine planes fell to earth 30 air miles from each other Tuesday, within a span of four hours. Engine trouble was blamed in both cases.

Capt. Ernest C. Brace, 29, is the Marine student pilot missing. His propeller-driven T28 trainer crashed and burned in a muddy cornfield near the mouth of the Choptank River on Maryland's Eastern Shore. An aviator's helmet, parachute and flight jacket were found along with the river.

Lt. Cmdr. William Francis Whalen Jr., the Navy test pilot flying a jet fighter, plunged to his death after he ejected himself from a disabled F8U Crusader but his parachute failed to open.

His body fell to a taxiway at the Patuxent Naval Air Test Center where he was stationed. Whalen, 36, lived near the station with his wife, Theodora, and their three children, 11, 8 and 3. His parents live in Binghamton, N.Y. He was a Montrose, Pa., native.

OUTPUT AT LOWEST
As yet steel customers show little tendency to rebuild stocks. But most steel executives say that soon more users will have to stop living off inventories and at least order on a hand-to-mouth basis as many now do.

Union and company representatives meet today as the industry starts an expected climb back from a holiday week slump that saw output at its lowest for any nonstrike period in more than 20 years.

Thanks to the spurt in the opening months, the year as a whole wasn't bad for the industry. It turned out 99.3 million tons, the

World Briefs

BERN, Switzerland (AP)—The Swiss government has announced that it is ready to handle diplomatic and consular affairs for the United States in Cuba if the Cuban government does not object.

BANGKOK (AP)—The SEATO Council today said continued Soviet and North Vietnamese aid to pro-Communist rebels in Laos will imperil the security of neighboring countries as well as threaten the integrity of Laos.

Ambassadors of the eight member nations of the Southeast Asia Treaty Organization held their second long meeting this week on the situation in the neighboring Indochina kingdom.

NEW DELHI (AP)—The Hindu Times reported Wednesday confessions by Indian government employees charged with espionage have implicated an official of the Soviet Embassy.

Police reportedly arrested eight Indians, including employees of the Foreign and Defense ministries, who were involved in separate spying operations for the Soviet Union, a Western European country and a neighboring country.

LONDON (AP)—Do-it-yourself expert Barry Bucknell devoted his weekly television program last week to a demonstration of how to beat car thieves.

He showed viewers an alarm system he had rigged on his auto so that a hooter sounded if the door handles were tampered with. Tuesday someone stole a movie projector and a collection of

highest production since 112.7 million tons in 1957.

But the slowdown since midyear has taken its toll both on profits and jobs. And if the confab in Washington can figure out ways to beat competition, increase sales, hold down costs, make more jobs, and fatten steelworkers' incomes, the whole economy would be pleased, if slightly surprised.

movies from his locked car.

ANKARA, Turkey (AP)—Turkey's revolutionary 18-man Cabinet resigned Wednesday to give the chief of state, Gen. Cemal Gursel, a free hand to choose a government from members of the new Constituent Assembly.

SAIGON (AP)—South Viet Nam's National Assembly has recessed until March after approving a national budget of about \$430.6 million, with nearly 40 per cent earmarked for military spending. The budget as finally approved is about \$7.3 million below last year's.

DORTMUND, Germany (AP)—An explosion at the oxygen plant of the Hoesch steel combine killed nine workers and injured 10 Wednesday, police reported.

TAIPEI, Formosa (AP)—Gen. Lo Lih, commander in chief of the Chinese Nationalist army, left today for an 18-day tour of Army installations in the United States.

Estate Income Goes To His Dogs

LOUISVILLE, Ky. (AP)—Tavern operator John L. Lynch, 84, left income from his \$25,000 estate to his two boxer dogs, Bing, 10, and Rusty, 5.

Mary Lou Grant, a neighbor, said Mrs. Lynch had left \$3,000 for the dogs when she died last March. Lynch died Dec. 20.

The money will go to charities when the dogs die.

Take Razor Blade Out After 2 Years

CHIPLEY, Fla. (AP)—James Gerald Worthington, 6, apparently swallowed a razor blade two years ago. It went undetected until he went to a hospital last week for treatment of pneumonia. Dr. Walter H. Shehee discovered the blade lodged in the side of the windpipe. It was removed by surgery Friday and Dr. Shehee says the boy is recovering satisfactorily.

BLONDE NAMED GEORGE HAS A UNIQUE LAPSE

By JAMES BACON
AP Movie-TV Writer

HOLLYWOOD (AP)—Can a beautiful girl named George win fame and fortune in Hollywood? "Just call me George, everybody does," said blonde Georgine Darcy, a girl with more curves than an Alpine pass.

George is a Brooklyn girl with a problem. She always is being discovered and then slipping back into obscurity. Once she was in a movie with James Stewart and the now princess of Monaco—and got more publicity than either out of the movie.

IN "REAR WINDOW"

It was an Alfred Hitchcock thriller called "Rear Window." Stewart, confined to his room, spent his spare time in the movie looking at in his apartment house neighbors through binoculars.

George was a curvaceous party girl who lived across the way and Stewart's binoculars focused on her most of the movie.

Hitchcock dubbed her "Miss Torso." He said he just couldn't bring himself to call her George. Then she faded. Looking back, she reflects: "I guess I should have pushed myself after that publicity but I'm not a pusher."

MADE A STOOGEE

Next Jerry Lewis discovered her, put her in a movie or two and then made her a stooge in

his night club act. George is a dancer and singer, too.

When that ended, she went quietly back to obscurity—and waited.

Lucille Ball next discovered her and made her enroll in the Desilu Workshop.

GIVEN ENCOURAGEMENT

"Lucy has never stopped helping me," says George, "and she has given me more encouragement than anyone. She found out that I am really a shy girl. She told me that she is too and showed me ways of overcoming shyness. She spent weeks helping me with comedy timing."

Miss Ball spotted George in Desilu's "Harrigan and Son" TV show where she plays the impish secretary.

George asked me how she can prevent another lapse into obscurity? My answer: "Next time you meet a producer, don't tell him your nickname is George. Use Georgia or Georgine."

KILLED SLEDDING

INDIANA, Pa. (AP)—A sledding accident killed a three-year-old girl near here Wednesday.

State police said Barbara Jane Miller coasted out of the driveway of her home at Creekside R. 1, and crashed into the front of a moving school bus on Route 954. She was dead on arrival at Indiana Hospital.

DU PONT CUTS PRICE

WILMINGTON, Del. (AP)—The Du Pont Co. today announced reductions in prices of teflon fluorocarbon resins ranging from 35 cents to \$2 a pound.

The basic resin price, the company said, now stands at \$3.25 a pound.

PLCB ISSUES SUSPENSIONS

HARRISBURG (AP)—The State Liquor Control Board Wednesday ordered the suspension of these liquor licenses and cited the following reasons:

Effective Jan. 17:
Delaware—Irvin Wankoff, Hopp Inn, Darby, 15 days; refilled state store liquor bottles.
Schuylkill—Kathryn R. McGrath, Green Meadows Inn, Lakeside, Barnesville, 35 days; permitted minors to frequent; sales to a minor.

Effective Jan. 18:
Schuylkill—Minersville Fish and Game Association, Minersville, 15 days; permitted cock fights on the premises or on premises contiguous or adjacent thereto; sold malt or brewed beverages for consumption on a portion of premises not covered by license.

Effective Jan. 24:
Carbon—Summit Hill Legion Home Association, 30 days; by-laws do not meet requirements of the liquor code; persons are admitted to membership without a written application, investigation and ballot; failed to adhere to its constitution and bylaws; failed to charge and collect dues from elected members; failed to maintain records in conformity with board regulations; permitted gambling.

ALL-STAR TILT SLATED
HAZLETON, Pa. (AP)—The Eastern Professional Basketball League All-Star game will be played at Wilkes-Barre Feb. 1, it was announced Wednesday night.

During World War II, the U.S. government considered minting a three-cent piece made of glass in order to relieve the copper shortage.

SEEK CAUSE OF REACTOR BLAST THAT KILLED 3

IDAHO FALLS, Idaho (AP)—Nuclear experts gingerly probed within a silo-shaped building today, seeking the cause—and nature—of an atomic reactor explosion that killed three young servicemen.

They were hampered by radioactivity so dangerously high that each could safely remain inside the structure little more than a minute.

The damaged reactor was deep

inside the metal-sheathed building. So, too, were the bodies of two of its victims: It was too dangerous to try to recover them. The third body was removed within minutes of the explosion Tuesday night.

FIRST ATOMIC FATAL

It was the first fatal accident in the history of this country's atomic energy program.

The blast occurred on the Atomic Energy Commission's sprawling, half-million acre National Reactor Testing Station in eastern Idaho, about 40 miles west of this city of 34,000. AEC officials assured the public the radiation was confined to the building area and wasn't even dangerous elsewhere on the station.

Before the experts could find

out precisely what happened, they had to find a way of plugging the leaks in the reactor's heavy sheathing—leaks that permitted the deadly radiation to seep into the building surrounding the core.

KILLED BY EXPLOSION

The AEC said all three victims' bodies showed the effects of severe explosion, indicating they were killed by the blast rather than by radiation.

But the building, from outside, appeared undamaged. The AEC was silent about what damage officials found inside. In Washington, AEC Chairman John A. McCone promised the facts "will be made available as they are established."

Best guesses were that some kind of chemical explosion rup-

tured the reactor's nuclear core and released the radiation. It was fairly certain there was no nuclear explosion of the type released by an atomic bomb.

Two of the dead were Army men—Spec. 5 John A. Byrnes, 27, and Spec. 4 Richard L. McKinley, 22, both living in Idaho Falls with their wives. The third was Navy electrician Richard C. Legg, 26, of Roscommon, Mich. Byrnes formerly lived in Utica, N.Y., and McKinley in Kenton, Ohio.

HARRISBURG (AP)—A public meeting will be held in Bucks County Feb. 3 to give landowners information on a new state park planned on Tohickon Creek in the Northern Bucks County, the Forests and Waters Department said Wednesday.

NEW PROPOSED AMENDMENTS ARE APPROVED

HARRISBURG (AP)—Four proposed Constitutional amendments were given preliminary approval in the House early today.

A special 10-member committee appointed Wednesday night to consider the amendments approved them at a post-midnight session and the full house quickly gave its preliminary okay. A bill must be approved on three different days to pass either branch of the

legislature.

Rep. J. Dean Polen, D-Washington, a House leader, explained the bills were moved along so the House will have something to work on when it returns to business on Jan. 16.

SPECIAL COMMITTEE

The special committee on Constitutional revision was one of two appointed to serve until the regular committees are appointed Jan. 16.

The four Constitutional amendment proposals were submitted on Tuesday. Three would amend the State Constitution to permit the governor, the state treasurer, auditor general and county treasurers to succeed themselves for one additional term. At present they are limited to one four-year term.

The fourth proposal would ratify an amendment to the U. S. Constitution giving residents of the District of Columbia the right to vote in presidential elections.

OTHER MEMBERS

Rep. Howard B. Rudisill, D-York, was named chairman of the select committee. Other members are:

Reps. Herbert Fineman, D-Philadelphia; Eugene Gelfand, D-Philadelphia; Joshua Eilberg, D-Philadelphia; John Gailey, D-York; Leroy K. Davis, D-Allegheny; Thomas F. Lamb, D-Allegheny; Edwin E. Lippincott II, R-Delaware; Edwin Tompkins, R-Cameron; and George W. Heffner, R-Schuylkill.

The 900-pound nose cone on a Cree research rocket was sent up Wednesday atop a 44-foot, three-stage Nike solid-propellant rocket in another Air Force test of a high-speed recovery parachute.

CLEARWATER, Fla. (AP)—A man of 72 walked into police headquarters, pulled out his driver's license, and dropped it on the traffic department desk.

"I believe I'm too old to drive," the man told Sgt. Kenneth Williamson. "I sold my car and here's my license."

Emergency Funds Are Provided By Legislature

HARRISBURG (AP)—The House adopted legislation early today providing \$50 million to bolster the sagging relief fund and to meet school obligations.

Approval is expected by the Senate which takes up the two enabling measures at a session to start at 8 o'clock tonight.

House approval was given at a post-midnight session, called to meet a Constitutional requirement that all legislation be read on three separate days. The two measures were introduced at Tuesday's opening session and moved into position at a meeting Wednesday night.

SOME CHANGE VOTES

The \$50 million will be diverted from money appropriated, but never actually paid, to the State School Teachers and State Employees Retirement Funds.

It will be returned to the funds after the new budget goes into effect June 1.

The vote on the two bills was taken by the House's new \$60,000 electric roll call system. Some members, inexperienced in use of the system, or for the sheer fun of it, changed their votes several times, automatically causing the machine to recount and delaying the procedure.

CLOSE TO DEADLINE

When the machines were finally locked and the totals taken, the record showed that the bill diverting the money passed 173-21. The second bill, giving money to the relief and education funds, passed 180-13.

Gov. Lawrence's administration has said the relief fund will go broke unless the appropriations are approved before midnight next Monday.

To assure continuous relief payments the Senate will meet tonight, Friday and in a post-midnight session Saturday to approve the two bills.

HOUSE IN RECESS

The House is in recess until 12:01 a.m. Saturday when the speaker will sign the bills, after Senate passage, and send them to the governor for signature into law.

Both houses then will recess until Jan. 16 because the State Farm show will be in town all next week. One measure lapses \$42 million from the Teachers Fund and \$8 million from the Employees Fund.

RELIEF AND SCHOOLS

The other measure would allocate the money to agencies running short of money—the Public Instruction and Public Welfare Departments, the legislature itself and the Executive Branch.

The major allocation was \$44 million to maintain relief payments. A companion fund would provide \$763,895 for county insti-

tution district shortages.

The public instruction allocations were broken down this way:

School district subsidies—\$11,836,995; school jointure inducements—\$913,065; closed school payments—\$50,000; adult education—\$395,285; education of handicapped children—\$1 million; conservation education—\$5,709.

REMAINDER OF MONEY

The legislature would get \$60,000 for additional printing expenses incurred in 1960 and its Joint State Government Commission would get \$100,000 for its investigations in 1960.

The Executive Branch would get \$121,000 for operating expenses of the Legislative Reference Bureau and the Judicial Reference Bureau. Addition expenses incurred by the electoral college that voted for Sen. John F. Kennedy for president last month would get \$1,500.

NOMINEE LIST SENT SENATE

HARRISBURG (AP)—Appointment of John R. Torquato, Johnstown, as a member of the State Securities Commission, headed a long list of nominees submitted to the State Senate Tuesday for confirmation.

Torquato, who was fired as the state labor and industry secretary by former Gov. Leader, is one of several nominees now serving under interim appointments by Gov. Lawrence.

The others include James L. McWherter, Derry, member of the State Tax Equalization Board, and G. Emerson Work, Smock, and John A. Smith, Dickinson, both members of the State Milk Control Commission.

The interim appointments expire at the end of the present session, if the Senate does not act on the regular appointments before then. Other names sent to the Senate Tuesday by the governor included:

Boards of Assistance (by counties): Lebanon — Mrs. Florence A. Staeger, Lebanon.
Brandywine Battlefield Park Commission—Mrs. Mary K. Fisher, Chadds Ford, and Frank J. O'Brien, West Chester.
Coal Research Board — William J. Rude, Ashley.
Delaware River Navigation Commission—William J. Coopersmith, Chester.
Boards of Trustees: Hamburg State School and Hospital—Mrs. Agnes McCartney, of Lansford.
Harrisburg State Hospital—Dawson Kohr, Lebanon.
Retreat State Hospital—Marlyn F. Leppert, Hughestown, and Philip Fitelson, Mountaintop.

The huge television antenna atop the Empire State Building, which is used by all of New York City's seven TV stations, transmits to a four-state area in which 15 million people reside.

Girl Sees Negro Kill Her 18-Year-Old Pretty Cousin

NEW ORLEANS (AP)—Police today pressed a manhunt for a Negro who slashed to death a pretty young modeling student in her bedroom.

Donna Trussell, a cousin of 1960 Miss America Lynda Lee Mead, was slain just a few hours before she was to return to New York, where she was trying to launch an acting career. It was her 18th birthday.

Another cousin stumbled on the slaying Tuesday and fled in terror. Police later found Miss Trussell's nude body in her bedroom.

Her father said it "looked like a slaughterhouse."

MULTIPLE STAB WOUNDS

The coroner's office said the girl died from multiple stab wounds of the chest, throat and abdomen. Capt. Myron Weysham, homicide division chief, said the killer probably was scratched on the face or neck and cut on the right thumb.

Police questioned three Negroes picked up near the scene.

Lynn Bulliard, 25, cousin of Miss Trussell, said she dropped by to wish her a happy birthday and saw her struggling with a Negro.

SAW DEATH STRUGGLE

She said she was no more than 10 feet from the death struggle. A TV set was knocked down and a heater pulled from the wall.

"Part of her clothes were off and she was lying on the floor," Miss Bulliard said. "I didn't know what to do. I don't think he even saw me there was so much noise. I ran down the stairs and out to Allen."

Allen Rothbart of New York had accompanied Miss Bulliard and waited outside. He said he saw the assailant flee on a bicycle, carrying a bundle of clothing under his arm.

BELGIUM IS RETURNING TO ITS NORMALCY

By FRED CHEVAL
BRUSSELS, Belgium (AP) — Government spokesmen claimed Wednesday that strike-torn Belgium is slowly returning to normal, but strikers called for new demonstrations against the government's austerity program.

Leaders of the Socialist-led General Workers Federation summoned strikers to a rally after a morning attempt to close department stores collapsed before a show of police force.

Guarded by an iron ring of armored cars and state policemen, Parliament met to discuss the program of higher taxes and reduced welfare service that the government insists is necessary for survival.

The department store strike attempt was marked by scattered violence, and there were clashes elsewhere in Belgium.

Police chased several hundred pickets away from stores. The pickets, about 40 per cent of

YANKEES ARE PLANNING FAST CUBAN EXODUS

By RICHARD VALERIANI
HAVANA (AP)—The U.S. Embassy has made arrangements for the speedy exodus of Americans from Cuba and urged all to depart in the wake of President Eisenhower's decision to break diplomatic relations with the Fidel Castro government.

The first wave of departing diplomats and other Americans was expected this afternoon.

An unusually courteous note from the Cuban government, however, suggested there was no need for haste. It pledged the "most absolute guarantees" of safety for all American citizens—residents, tourists and diplomats alike.

EXTEND 48 HOURS

The note, delivered after the Cabinet in an emergency meeting had considered the White House announcement of the break, also offered to extend the 48-hour period given all but 11 members of the embassy staff to get out of Cuba. The 48-hour period expired Wednesday afternoon.

It further emphasized the amenities by offering "in concordance with the norms of international right, every kind of facility" for the removal of the embassy's office equipment and other property.

The Castro government said it in turn would withdraw its diplomatic personnel from the United States as speedily as possible and turn its representation in the United States over to Communist Czechoslovakia's diplomats.

LARGE AMERICAN COLONY

The American colony in Cuba is estimated at between 500 and 2,000. The embassy urged all to leave unless they have "compelling reasons" to remain.

There was no immediate rush of agitated Americans to the embassy, however, and many were expected to remain in Cuba. Several small American businesses have escaped the nationalization that has wiped out most of the billion-dollar American investment in Cuba. A number of Americans still here are married to Cubans and have lived here for years.

It seemed inevitable that the break would heighten Castro pressure for a termination of the U.S. lease on the Guantanamo naval base on the southeast coast.

them women, walked meekly away.

Trouble broke out in Ghent. Police clashed with strikers who threw rocks at windows of two textile factories. Many teachers in Ghent struck and few children reported to school.

Police Administration Minister Pierre Harmel declared that, despite the sporadic disorders, vital services were being restored.

Electric power stations are working again in seven of Belgium's nine provinces, he said, and trains are running to Italy and Switzerland and air traffic is normal.

The situation is still bad in Liege and Hainaut, both industrial centers hard hit by the strikes.
